

MT SOMERS

- 1** Future Residential
- Anticipate growth from recreational uses. Improve water supply first.
- 2** Village Gateway - consider signage and landscape treatment
- 3** Consolidate village centre around domain/church/pub/camping ground. Make Hood Street the focal point for village and limit commercial development growth to this vicinity.
- 4** Develop 'village green'
- connect across to school, trees
- 5** Consider business zone.
