**ZONE PARKING** has the same meaning as in Land Transport Rule: Traffic Control Devices 2004.

## **OFFENCES AND PENALTIES**

- 1002** Every person commits an offence against this bylaw, and is liable on summary conviction to the penalty set out in the Local Government Act 2002, who:
- (a) Fails to comply in all respects with any prohibition, restriction, direction or requirement indicated by the lines, markings, traffic signs and other signs or notices laid down, placed, made or erected on or upon any road, public car park, reserve or other places controlled by the Council under any of the provisions of this bylaw;
  - (b) Fails to comply with any condition, duty, or obligation, imposed by this bylaw.
- 1002.1** Nothing in 1002 of this bylaw applies to any offence of a kind referred to in section 72(6A) of the Transport Act 1962.
- 1002.2** A person may not be subject to proceedings under 2021.1 of this bylaw, if that person is also, for the same facts, being proceeded against for a breach of the Land Transport Act 1998.
- 1002.3** A person is not in breach of this bylaw if that person proves that the act or omission complained of:
- (a) Took place in compliance with the directions of an enforcement officer, a parking warden or a traffic control device; or
  - (b) Was performed by an enforcement officer or a parking warden and was necessary in the execution of that person's duty.

## INTRODUCTION

- 1003** Under the Local Government Act 1974, the Local Government Act 2002 and the Transport Act 1962 the Ashburton District Council makes this bylaw to:
- (a) Prohibit or otherwise restrict the stopping, standing, or parking of vehicles on any road or part of a road, or on any piece of land owned or controlled by the Council and not being a road or part of a road, including any parking place or transport station;
  - (b) Set aside, designate or reserve any road, part of a road, or any piece of land owned or controlled by the Council and not being a road or part of a road, as:
    - (i) Stopping places or stands for a specified class, classes or types of vehicle, including bus stops, taxi stands and loading zones;
    - (ii) Operation mobility parking spaces;
    - (iii) Parking places and zone parking;
    - (iv) Transport stations;
    - (v) Clearways;
    - (vi) Cycle lanes and cycle paths;
    - (vii) Reserved parking areas;
    - (viii) Residents' parking;
    - (ix) Special vehicle lanes;

- (x) One-way roads.
- (c) Prohibit or restrict:
  - (i) U turns;
  - (ii) Left turns, right turns, or through movements;
  - (iii) Weights and/or speeds of vehicles or loads that may pass over bridges or culverts;
  - (iv) Any specified class of traffic, or any specified motor vehicle or class of motor vehicle which, by reason of its size or nature or the nature of the goods carried, is unsuitable for use on any road or roads;
  - (v) Parking of heavy motor vehicles or any specified class or description of heavy motor vehicles, on any specified road during such hours or exceeding such period as may be specified;
  - (vi) Use of roads by pedestrians;
  - (vii) Use of roads by cyclists.
- (d) Permit turning movements to be made only by:
  - (i) Passenger service vehicles;
  - (ii) Vehicles of other specified classes;
  - (iii) Vehicles carrying specified classes of loads or not less than a specified number of occupants.

**1003.1** Any matter regulated under this bylaw may apply to a specified class, type, weight or description of vehicle, or any combination of these, and may be expressed or limited to apply only on specified days, or between specified times, or for any specified events or classes of events, or be limited to specified maximum periods of time.

**1003.2** To give effect to any matter regulated under this bylaw the Council shall mark the roads and install signs in accordance with the Land Transport Rule: Traffic Control Devices 2004.

**1003.3** The Council may amend this bylaw in accordance with the Local Government Act 2002 to rescind, amend or vary any matter regulated under this bylaw

## **STOPPING, STANDING AND PARKING**

**1004** No person shall stop, stand, or park a vehicle or vehicle combination on any road, public car park, reserve or any other public place in contravention of a restriction imposed by the Council as evidenced by appropriate signs and/or road markings. Notwithstanding the provisions of this sub clause and subject to such conditions as appropriate in the circumstances and payment of the prescribed fee, the Council may authorise the stopping, standing or parking of specified vehicles.

**1004.1** No person shall, without the prior written permission of the Council, park a vehicle or trailer displaying advertising or sales material on any road or part of a road, or on any piece of land owned or controlled by the Council. This

---

restriction includes vehicles and trailers displayed for sale, and mobile billboards.

- 1004.2** Except with the prior written permission of the Council, no person shall park a vehicle on a road or other land under the control or ownership of the Council, for any period exceeding seven days, if that vehicle cannot be easily moved on at the request of the Council.
- 1004.3** No person shall park or place any machinery, equipment, materials, waste disposal bins or freight containers on any road or public place except with the permission of the Council and in accordance with any conditions that may be required. This clause does not apply to those containers that are used solely for the purpose of domestic refuse or recycling as authorised by the Council and placed off the roadway, provided that such containers are not left on any road or public place for a period exceeding 48 hours.
- 1004.4** No person shall park any vehicle in a parking space which is already occupied by another vehicle. However up to six motorcycles (including motorcycles with sidecars attached) but no other vehicle, may occupy any parking space at the same time, (and such motorcycles shall park at right angles to the kerb in the metered space).
- 1004.5** No person shall repair, alter or add to a vehicle in the course of trade while the vehicle is on the road, unless necessary to enable the vehicle to be removed from the road.
- 1004.6** No person shall stop, stand or park a vehicle or vehicle combination on a lawn, garden, or other cultivation adjacent to, or forming part of, a road.

### **METERED AREAS, PARKING METER ZONES, AND ZONE PARKING**

- 1005** The Council may from time to time amend this bylaw in accordance with the Local Government Act 2002 to:
- (a) Declare any road or part of a road to be a metered area or zone parking;
  - (b) Declare any piece of land owned or controlled by the Council and not being a road or part of a road, including any parking place or transport station to be a metered area or zone parking;
  - (c) Declare the time allowed for parking in such metered areas and areas of zone parking beyond which it shall be unlawful to remain parked;
  - (d) Subject to section 150 of the Local Government Act 2002, fix the fees payable for the parking of vehicles within the metered area and areas of zone parking.
  - (e) Direct the classes of vehicles that shall be permitted to be parked in any such parking places.
  - (f) Declare the means by which fees may be paid in respect of each parking area including, but not by way of limitation, by the use of parking meters, parking coupons, attendant issued tickets, pay and display machines or otherwise.

- 1005.1** Parking meters or pay and display parking meters shall be located within the metered area and areas of zone parking that they are to control. Any pay and display parking meter shall issue a receipt on insertion of the prescribed fee in accordance with the instructions on the meter.
- 1005.2** The receipt issued by a parking meter shall be displayed so as to be legible through the front window where fitted, or visible on the vehicle where no front window is fitted, on a motor vehicle parked in the parking area.
- 1005.3** Metered parking spaces shall be indicated by white lines painted on the road in accordance with the Land Transport Rule: Traffic Control Devices 2004. Pay and display zones and areas of zone parking shall be indicated by signs in accordance with the Land Transport Rule: Traffic Control Devices 2004.
- 1005.4** No driver or person in charge of any vehicle shall permit such vehicle to be parked in any such parking place except as permitted by such resolution. Any such resolution may from time to time be amended or rescinded by a further resolution of the Council.

#### **PARKING FEE TO BE PAID**

- 1006** No driver or person in charge of a vehicle shall park in a metered parking space or area of zone parking without having paid the appropriate fee and where required correctly activated the parking meter controlling the space, or in compliance with the instructions on the pay and display parking meter controlling the space.
- 1006.1** The driver or person in charge of a vehicle may occupy the metered parking space, provided that the appropriate fee has been paid and the maximum period for parking in that metered area is not exceeded.
- 1006.2** Where more than one motorcycle occupies a metered parking space it shall not be necessary for the payment of more than one parking fee. No such vehicle shall remain parked in the metered space after the time has expired and each motorcycle so parking is in breach of this bylaw.

#### **DISCONTINUED PARKING SPACE**

- 1007** Where the Council is of the opinion that any metered parking space should be temporarily discontinued as a parking space, the Council may place or erect (or authorise the placing or erecting of) a sign, or notice showing, 'No Stopping' or a meter hood showing reserved parking at the affected metered parking space or spaces. It shall be unlawful for any person to park a vehicle in a metered parking space when a sign, notice or meter hood indicates that it is a reserved parking space, except with the permission of the Council.

---

---

**INTERFERENCE WITH PARKING METERS OR PAY AND DISPLAY PARKING METERS**

- 1008** Every person commits an offence against this bylaw who misuses any parking meter or pay and display parking meter, or who interferes, tampers, or attempts to tamper with the working or operation of any parking meter or pay and display parking meter or who without Council authority affixes or attempts to affix anything, or to paint, write upon or disfigure any parking meter or pay and display parking meter.

**COINS OF NEW ZEALAND CURRENCY ONLY**

- 1009** A person paying at a parking meter or pay and display parking meter shall use only New Zealand currency.

**UNLAWFUL PARKING**

- 1010** A person shall not park any vehicle or vehicle combination in a parking space except as permitted by the provisions of this bylaw.
- 1010.1** No person shall park a vehicle or vehicle combination in a parking space so that any part of that vehicle extends beyond any line defining that space unless by reason of its size it may be necessary for the vehicle to extend onto an adjoining and unoccupied parking space. If the parking spaces occupied by the vehicle or vehicle combination are metered parking spaces the driver shall be liable to pay a parking fee for each space so occupied.
- 1010.2** No person shall, if a parking meter or pay and display parking meter is not in operation, park in a metered space or pay and display area governed by that parking meter or pay and display parking meter for a period greater than the maximum indicated on that meter.

**OPERATION OF PARKING METERS OR PAY AND DISPLAY PARKING METERS**

- 1011** No person shall operate or attempt to operate any parking meter or pay and display parking meter by any means other than as prescribed by this bylaw.

**HOURS APPLICABLE TO PARKING METERS OR PAY AND DISPLAY PARKING METERS**

- 1012** The hours during which payment of the fee for parking meters or pay and display parking meters is required shall be as prescribed by the Council in accordance with the Local Government Act 2002 and shall be indicated by signs or notices affixed to parking meters and pay and display parking meters.

---

---

## OPERATION MOBILITY PARKING

- 1013** Where the Council has reserved parking spaces as operation mobility parking spaces, the operation mobility permit shall be displayed so that it is legible through the front windscreen where fitted, or on the vehicle if no windscreen is fitted. The permit shall not be displayed if the parking space is not being used for the benefit of the permit holder.

## RESIDENTS' PARKING

- 1014** The roads and parts of roads listed in Schedule A1 of this bylaw are reserved for the exclusive parking of specified motor vehicles owned by residents of the surrounding area and displaying a residents' only permit issued for any such vehicles. Such part of a road (referred to as a 'residents' only parking area') shall be indicated by appropriate signs. The roads and parts of roads listed in Schedule A2 of this bylaw are able to be used for parking by specified vehicles owned by eligible residents of the surrounding area and displaying a valid residents' exemption permit issued for such a vehicle. Such a road or part of a road (referred to as a 'residents' exemption parking area') shall be marked out or shown by appropriate signs.

- 1014.1** The Council may, in accordance with the Local Government Act 2002:
- (a) Impose conditions, and prescribe fees or charges, for use of residents' only parking areas and/or residents' exemption parking areas;
  - (b) Require a valid permit to be held for the use of residents' only parking areas and/or residents' exemption parking areas;
  - (c) Amend Schedule A 1 of this bylaw to provide for a road, or part of a road, to be a residents' only parking area, or to provide that a road should cease to be a residents' only parking area;
  - (d) Amend Schedule A 2 of this bylaw to provide for a road, or part of a road, to be a residents' exemption parking area, or to provide that a road, or part of a road, should cease to be a residents' exemption parking area.

- 1014.2** Where a permit is required to be held for the use of a residents' only parking area, residents' exemption parking area or other parking area:
- (a) The parking permit shall be displayed so as to be legible through the front window where fitted, or visible on the vehicle where no front window is fitted, on a motor vehicle stopped, standing, or parked in the parking area;
  - (b) The permit shall identify the motor vehicle for which it has been issued. The permit applies only to the motor vehicle described in the permit;
  - (c) The permit shall be returned to the Council immediately after the resident ceases to be entitled to the permit;
  - (d) The permit is valid and effective only during the time specified on the permit and in the street or area specified on the permit.

- 1014.3** No person may park, stop or stand a motor vehicle in a residents' only parking area without displaying a valid permit except for:
- (a) Vehicles operated by the Council or for the Council if necessary for the provision of, or maintenance of, facilities within the road reserve;
  - (b) Vehicles operated by network utility operators if necessary for the provision of, or maintenance of, a network utility operation;
  - (c) Vehicles driven by authorised officers (e.g. dog control officers, building inspectors)
  - (d) Vehicles being used to pick up or deliver goods to, or in connection with emergency maintenance of, the property of a resident holding a residents' only or residents' exemption permit;
  - (e) Medical practitioners such as doctors, district nurses and midwives who are attending a patient.

### **ONE-WAY ROADS**

- 1015** A person may only drive a vehicle or ride any horse or bicycle along the roads or parts of roads listed as a 'one-way road' in Schedule B of this bylaw, in the direction specified.
- 1015.1** The Council may amend Schedule B of this bylaw in accordance with the Local Government Act 2002 to provide for a road, or part of a road, to be a one-way road, or to provide that a road should cease to be used as a one-way road.

### **TURNING RESTRICTIONS**

- 1016** Subject to the erection of the prescribed signs, no person shall drive contrary to any turning restriction listed in Schedule C of this bylaw.
- 1016.1** The Council may amend Schedule C of this bylaw in accordance with the Local Government Act 2002 to prohibit, subject to the erection of the prescribed signs:
- (a) Vehicles on a roadway turning from facing or travelling in one direction to facing or travelling in the opposite direction (No 'U-turns');
  - (b) Vehicles or specified classes of vehicles from turning to the right or to the left or from proceeding in any other direction.
- 1016.2** The Council may amend Schedule C of this bylaw in accordance with the Local Government Act 2002 to provide that a turning restriction be removed or amended.

---

---

**HEAVY TRAFFIC PROHIBITIONS**

- 1017.** No person shall drive or permit to be driven any heavy motor vehicle except a passenger service vehicle on or along any urban roads, or parts of such roads with the exception of those roads listed in Schedule D1 of this bylaw, also except for the purpose of picking up, or delivering goods to an address in the urban area when alternative access is not available for this purpose.
- 1017.1** No person shall drive, permit to be driven or park any heavy motor vehicle during the hours between 8 pm on one day to 6 am on the next day and all hours of Saturdays, Sundays and public holidays or such periods as may be specified for roads in urban areas or public places, except the roads listed in Schedule D2 of this bylaw and except for the purposes of loading or unloading goods or passengers at any property whose access is by way of the road or public place.
- 1017.2** No stock shall be transported in heavy motor vehicles through urban areas except over the routes specified in Schedule D3 of this part of the bylaw.
- 1017.3** The prohibitions set out in 1017, 1017.1 and 1017.2 shall not apply to:
- (a) A network utility operator or its authorised agent or contractor engaged in the provision of, or maintenance of a network utility operation. (The expression 'network utility operator' has the same meaning given to it by section 166 of the Resource Management Act 1991);
  - (b) Emergency vehicles, vehicle recovery services, tradespersons' vehicles or campervans as identified on signs approaching the road to which the restriction applies;
  - (c) Refuse collections carried out by either the local authority or a contractor engaged by the local authority;
  - (d) Any other class of heavy vehicle the Council may exclude from the prohibitions in 2017.2 in accordance with the Local Government Act 2002 and as identified on signs approaching the road to which the restriction applies.
  - (e) Vehicles operated by the Council or for the Council if necessary for the provision of, or maintenance of, facilities within the road reserve
- 1017.4** The Council may amend Schedule D of this bylaw in accordance with the Local Government Act 2002 to prohibit any heavy traffic on any road or roads within the District or to remove a heavy traffic prohibition.

**SPECIAL VEHICLE LANES**

- 1018** The roads or parts of roads listed in Schedule E of this bylaw are 'special vehicle lanes'.

- 1018.1** The Council may amend Schedule E of this bylaw in accordance with the Local Government Act 2002 to provide for a road, or part of a road, to be used as a special vehicle lane either permanently or for a set period of time, or to provide that a road or part of a road should cease to be used as a special vehicle lane.

### **TURNING MOVEMENTS PERMITTED BY SPECIFIED CLASSES OF VEHICLES**

- 1019** Subject to the erection of the prescribed signs, the traffic lanes listed in Schedule F of this bylaw permit turning movements by specified classes of vehicles.
- 1019.1** The Council may amend Schedule F of this bylaw in accordance with the Local Government Act 2002 to permit turning movements by specified classes of vehicles at a traffic lane, or to provide that a turning movement or turning movements by specified classes of vehicles should cease at a traffic lane.

### **WEIGHTS OF VEHICLES OR LOADS OVER BRIDGES OR CULVERTS**

- 1020** The Council may amend Schedule G of this bylaw in accordance with the Local Government Act 2002 to regulate the weights of vehicles or loads that may pass over bridges or culverts or to provide that any such regulation be removed.

### **EXEMPTED VEHICLES**

- 1021** This bylaw shall not apply to emergency vehicles being used in an emergency.
- 1021.1** Clauses 1024, 1026, 1027, 1010 and 1018 of this bylaw shall not apply to medical practitioners such as doctors, district nurses and midwives who are attending an emergency.

### **HEAVY TRAFFIC AND OVER DIMENSION BYPASS ROUTES**

- 1022** Heavy and over dimension vehicles shall not travel through the urban areas of Ashburton or Tinwald other than for the purpose of picking up and delivery of goods, except over the Routes set out in Section H1 of the schedule H to this part of the bylaw and in accordance with any conditions specified there.

### **CONTROL OF HORSES**

- 1023** No person who is the owner or who shall have custody or control of any horse shall ride, lead or drive the same along any footpath or cycle track.

### **DAMAGE TO FOOTPATH OR BERM BY MOTOR VEHICLE**

- 1024** No person shall drive or take any motor vehicle over any footpath other than at a specifically designed vehicle crossing.

- 1024.1** The cost of repairing any damage or injury caused to such footpath or berm by any person shall be borne by such person and shall if necessary be recoverable from him by the Council.

### **PEDESTRIANS TO MOVE ON**

- 1025** Pedestrians when found congregated on any street or footpath in the District shall move on when requested so to do by a Police Officer or authorised Council Officer.

### **CLEAR WARNING AND LIGHTING OF OBSTRUCTIONS, HOLES AND STACKING OF MATERIALS**

- 1026** If any person shall place or leave on any public place any building material, rubbish, or any other thing whatsoever likely to cause any obstruction, nuisance or danger to any person or vehicle upon such public place such person shall by notices, signs or otherwise provide clear and reasonable warning of the obstruction or danger and shall also cause to be fixed and maintained from sunset in any day to sunrise in the next day in such positions as may be necessary sufficient self-powered operating warning lights of a type approved by Council so as to adequately identify the obstruction or danger.

- 1026.1** If any person shall make or dig or permit or suffer the making or digging in any public place any hole or excavation, such person shall by notices, signs or otherwise provide clear and reasonable warning of such hole or excavation and shall cause to be fixed and maintained from sunset in any day to sunrise in the next day in such positions as may be necessary sufficient self-powered operating warning lights of a type approved by Council so as to adequately identify such hole or excavation.

- 1026.2** No person shall permit any building material or other thing as mentioned in Clause 1026 or any hole or excavation placed, left, made or dug on or in any public place (whether with or without the authority of Council) to remain thereon or therein for a longer period than is reasonably necessary.

### **OBSTRUCTING FOOTWAYS OR CYCLE TRACKS**

- 1027** No person shall carry or convey any load to the danger or obstruction of persons using any footway or cycle track, or ride, or drive or lead any stock, or drive any motor vehicle or motor cycle along any such footway or cycle track.

### **PACKING OR UNPACKING GOODS**

- 1028** No person shall without the prior consent of Council pack or unpack any goods upon any public place.

---

---

**PLACING OF ARTICLES ON PUBLIC PLACES**

- 1029** No person shall (except as provided in this or any other part of this bylaw) leave standing or lying upon any public place any truck, bicycle, vehicle, or other similar thing, or any packing case, crate, package, or any other encumbrance whatsoever so as to constitute an obstruction thereon or danger to any person.
- 1029.1** No person shall (except as permitted in this chapter or any other part of this bylaw or by statutory provision) camp in or upon any public place where they may cause a nuisance to other persons.

**DISTURBING SURFACE OF STREET**

- 1030** No person shall open any drain or sewer on, or disturb or remove the surface of, any public place, or make any cellar door or other opening from such public place without having first obtained the permission of Council, and except in accordance with such conditions as may be imposed.

**PRECAUTIONS AGAINST INJURY**

- 1031** Every person shall when opening up any street to take all such precautions for guarding against injury to the passers along such street as may be necessary or as may be directed by Council or its authorised officer.

**ACTS OR GAMES TO ANNOYANCE OF PERSONS**

- 1032** No person shall propel, push, pull or ride any trolley or other similar contrivance, fly a kite, ride any skateboard, use any roller blades or skates, use any bow or arrow or other projectile, cast, throw or project any stone or other missile, by hand, catapult, shanghai, or otherwise, or play any game in or on any public place or street, to the damage, annoyance, danger, inconvenience, or obstruction of any person or property.
- 1032.1** In addition to the provisions of 1032 the Council may declare by resolution areas in which these activities shall be prohibited.

**BICYCLES**

- 1033** Bicycle stands. No person shall erect a bicycle stand on any footpath or roadway in the District without first obtaining the written approval of Council.
- 1033.1** Leaving bicycles as obstructions. No person shall place or leave any bicycle on any road, footpath, or public place where it shall be or is likely to be an obstruction, inconvenience, danger or a nuisance to traffic or pedestrians.

**1033.2** No Bicycles on restricted parking places. No person shall place, stop, stand or leave or keep any bicycle on the kerb or on any portion of a road set apart by the Council as a restricted parking area or for taxi and passenger service vehicle stands or stopping places.

**1033.3** Bicycles on Ashburton River Bridge, State Highway One. The separate carriage way mounted on the north western side of the bridge is designated for the use of cyclists only. The separate carriage way mounted on the south east side of the bridge is designated for joint use by cyclists and pedestrians.

## **MEDIAN DIVIDED ROADS**

**1034** Those streets named in Section H2 of the Schedule H of the bylaw and any future roads legally established along the middle portion of which or part of which are laid median strips dividing the said roads or parts of the same into two parts for the purposes of regulation and conduct of traffic, shall be deemed to be one way roads on each side of the median strip.

Provided however that when the median strip is 6.0 metres or more in width between the kerbs each gap or roadway in such median strip by which traffic can cross over and pass from one side to the other of those one way roads shall be deemed to be a road connecting the said one way roads.

## **USE OF MEDIAN DIVIDED ROADS**

**1035** No person shall drive any vehicle along or over those roads referred to in the preceding clause headed "Median Divided Roads" and named in Section H2 of the Schedule H to this part of the bylaw except in the direction required to keep the vehicle moving forward with the right hand side of the vehicle being nearest to the median strip and no person shall drive any vehicle or stop, stand or park any vehicle on or adjacent to the median or the median strips on those roads, unless permitted by resolution of Council.

## **TRACTION ENGINES**

**1036** Consent to operate. No person shall operate on any road within the District any traction engine not fitted with rubber tyres unless the consent thereto in writing is first obtained from the Council which consent may be given subject to such conditions as the Council thinks fit to impose, and every person operating a traction engine under such consent shall comply with all the conditions subject to which the consent is given.

**1036.1** Every person commits an offence under this bylaw who:

- (a) Operates on any road within the District any traction engine without first obtaining the consent in writing of Council; or
- (b) Fails to comply with any conditions imposed by the Council Officer under the immediately preceding clause hereof.

- 1036.2** Every person who commits an offence against the provisions of the preceding sub-clauses of this clause in addition to being liable for payment of a fine upon conviction for such offence shall also be liable for and pay compensation to the Council for any damage which may be caused or be done by a traction engine or trailer to any road sign or pole, road, bridge or culvert or any drain pipe, water pipe or gas pipe or underground cable or any connection thereto. In the case of dispute as the amount of compensation payable the same shall be ascertained and determined by a Court or Tribunal of competent jurisdiction and may be recovered therein by the Council.
- 1036.3** The operator of any traction engine shall stop at the request or signal of any police officer or authorised Council Officer and on demand shall advise their name and address and if they are not the owner of the traction engine, shall also give the name and address of the owner.

### **LICENSED VEHICLES AND STANDS FOR ANIMAL DRAWN VEHICLES**

- 1037** No person shall keep or operate within any urban area any vehicle drawn or propelled by animal power available for the carriage of goods or persons for hire, reward or otherwise, without first obtaining written permission so to do from the Council.
- 1037.1** Every application for permission to operate within an urban area a vehicle drawn or propelled by animal power shall be in such form as the Council may from time to time prescribe and the applicant shall supply to the Council any further information that it may require.
- 1037.2** The fee payable for an application under this clause of the bylaw shall from time to time be fixed by the Council.
- 1037.3** The holder of such permission shall comply with all conditions subject to which the permission is issued and failure to observe such conditions or the provisions of this bylaw shall be an offence against this bylaw and the permission may at the discretion of the Council be suspended or revoked.

### **POWER TO APPOINT STANDS**

- 1038** The Council or, in the case of State Highways, Transit New Zealand may from time to time appoint portions of any roads as stopping places or traffic stands on such conditions as it may think fit and may from time to time in like manner revoke, cancel or alter any such appointment or conditions.
- 1038.1** In all cases where no stopping places or stands are appointed by the Council a Police Officer shall have power in case of necessity to appoint a temporary stopping place or stand and the driver of any vehicle shall use the same in accordance with the instructions of the Police Officer.

---

---

**AUTHORISED USE OF STANDS**

- 1039** No person in charge of any animal or vehicle shall permit the same to remain stationary upon any stand duly appointed or for the time being existing as a stand for any duly authorised vehicle of any Class whatsoever, for a longer period than is reasonably necessary for the loading or unloading of goods or the taking up or setting down of passengers.

**POWER TO DIRECT TRAFFIC**

- 1040** The Council may from time to time by ordinary resolution make, alter, amend or revoke regulations:
- (a) Directing or controlling the traffic in any of the public reserves or places of public recreation under the control or management of the Council.
  - (b) Providing for the temporary diversion of traffic upon any road or place and the control of any such traffic.

**PENALTY FOR BREACH**

- 1041** Every person who breaches any of the provisions of this part of the bylaw or who suffers or permits any act or thing to be done in contravention or breach of any of the provisions of this part of the bylaw or who neglects to do or refrains from doing anything required to be done under the provision of this part of the bylaw commits an offence against these bylaw.

**ENTRANCEWAYS TO RURAL PROPERTY**

- 1042** On rural roads where property entranceways are frequently used by heavy vehicles or where vehicles require manoeuvring room the Council may at its discretion require entranceways to be designed and constructed in accordance with requirements as set out by the Council from time to time. All costs incurred in constructing accesses to the required standard shall be borne by the property owner.

**VEHICLE CROSSINGS**

- 1043** No vehicle may be taken on to any urban property in the Ashburton District other than by ways of a properly formed vehicle crossing.
- 1043.1** No person shall construct any vehicle crossing across any footpath, berm or water channel without first obtaining a vehicle crossing permit from the Council.
- 1043.2** The Council may, subject to the payment of any application fee required, permit the applicant to construct the vehicle crossing (for which the permit has been obtained) in compliance with such conditions and to such standards as the Council may require.

**1043.3** The Council may refuse to grant a permit if in the opinion of an authorised officer the construction of the vehicle crossing causes, or may be likely to cause, any danger, or obstruction in any public place.

**1043.4** Any person who:

- (a) takes or permits a vehicle to be taken on to any urban property in the Ashburton District across any footpath, berm or water channel other than by way of a properly formed vehicle crossing; or
- (b) commences work upon the construction of a vehicle crossing without first obtaining the required permit; or
- (c) having obtained such permit fails to comply in all respects with the conditions attaching to that permit or set out in this bylaw; or
- (d) who upon the expiry of the time specified in the permit

fails to leave the vehicle crossing construction site or any part thereof in a good and tidy condition in accordance with the requirements of the vehicle crossing permit; shall be guilty of an offence against this bylaw.

## **TEMPORARY CROSSINGS**

**1044** No person shall take or drive a motor vehicle or permit the same to be taken or driven across any footway or water channel in the course of construction or other work on the adjoining property or to deliver or collect building or other materials used in connection therewith otherwise than subject to such terms and conditions as the Council may impose, including the provision for crossing for temporary purposes over the footway or water channel.

## **REINFORCING OF FOOTWAYS**

**1045** Where any land or premises is at any time occupied or used and any materials, goods, merchandise, articles, or things whatsoever are dropped or deposited upon or conveyed across any footway, water channel or crossing in such a manner as to be likely to damage such footway, water channel or crossing, Council may, by notice in writing require the owner or occupier of such land or premises to provide adequate reinforcement to such footway, channel or crossing.

**1045.1** Every such owner or occupier who shall fail to comply with any such notice within the period therein specified shall be guilty of an offence against this part of this bylaw.

## **NAMING OF STREETS**

**1046** No person shall give any name to or affix, set up, or paint any name on any street, private street, or public place without the prior permission in writing of Council.

---

---

**PROPERTY NUMBERING**

- 1047** The Council may allocate property numbers for the purpose of identifying individual properties. The owner or occupier of every property shall mark such building (subject to Clause 1046 above) with such allocated numbers, being in no case less than 50mm in height, as Council shall direct or approve, and shall renew the numbers of such building as often as they are obliterated or defaced. Kerb numbering in an approved form will be an acceptable alternative.
- 1047.1** If the owner or occupier of any building neglects for one month after notice from Council to mark such building with such number as Council may direct or approve, or to renew the number thereof as aforesaid, they shall be guilty of an offence against this part of this bylaw.
- 1047.2** Council shall have power at any time to alter the number of any property where it may be in Council's opinion necessary or advisable to do so.
- 1047.3** Every such number allocated by the Council shall be placed upon any property in such a position as to render the same readily visible from any street fronted by such property; or, if no such position is available, shall be placed upon a post, fence, or gate near or adjacent to, and readily visible from, such street. The Council may from time to time set fees for the supply and erection of 'RAPID' rural property identification numbers.

**DEFACING NAMES AND NUMBERS**

- 1048** Every person shall be guilty of an offence against this part of this bylaw who wilfully or maliciously destroys, pulls down, obliterates, or defaces the name of any street, or the number of any property, or paints, affixes, or sets up any name of any street, or any number to any property, contrary to the provisions of this part of this bylaw.

**POSITION OF URBAN LETTERBOXES**

- 1049** No person shall construct or place a letterbox for any property in the urban area that is located on the street reserve. However the Council may approve the design and location of letter boxes on the street reserve in certain circumstances.

**DRIVING STOCK**

- 1050** Except as may be provided pursuant to Sub Clause 1050.1 and 1050.2 of this clause, no person shall drive any stock not in harness or yoke on any public place, except with the prior permission in writing of Council and then only in accordance in all respects with all conditions which may be imposed in granting such permission.
- "Driving" for the purposes of this section of the bylaw means moving stock on the hoof.

- 
- 1050.1** Notwithstanding the provisions of Sub Clause 1050.3 and 1050.4 hereof, in rural areas stock may be driven at all times during the period after sunrise and before sunset on District Roads without Council's written permission provided the following conditions are complied with:-
- (a) The number of animals in any one mob shall not exceed 600 head of cattle or 3000 head of sheep and drovers in charge of mobs shall be at the ratio of one competent drover to every 200 cattle or part thereof, or 1000 sheep or part thereof.
  - (b) The drover shall keep the animals moving at all times so as to make progress towards the destination at a reasonable rate.
  - (c) Suitable signs must be displayed, and crossings shall be sited to permit effective and safe stopping distances for road users. Signs shall be to a standard determined by the Council and Transit New Zealand and all signage shall be provided by the Stockowner. Signs are to be put out only on the day of movement and are to be removed within one hour of the stock being removed from the road.
  - (d) All stock on District roads shall be removed from the roadway during the period half an hour after sunset until half an hour before sunrise the following day.
- 1050.2** No stock shall be driven at any time on any urban street or road or within any urban area. Provided, however, that the Council may from time to time by resolution publicly notify and declare certain roads to be stock routes and prohibit or restrict the use of any other roads for the driving of stock. Any such declaration, prohibition or restriction may from time to time in like manner be altered or revoked.
- 1050.3** Driving stock at night. No person shall drive any animals on any road during the period between half an hour after sunset and half an hour before sunrise unless it is considered that in doing so does not affect road user safety and is in the best interests of all road users. Prior approval to drive stock during these hours is required from Council which will apply such conditions that it deems suitable. and will include the supply of sufficient warning devices that are provided and maintained by such person(s) responsible for driving the stock. These shall include use of flashing lights and signs and other effective devices or means to ensure that persons using the road shall have adequate notice of the presence of such animals on the road.
- 1050.4** No person shall lead a horse or permit or suffer a horse to be led from or by a motor vehicle on any public place except on a public road verge. In such case up to four horses (but only two abreast) may be led from a properly constructed frame attached to a motor vehicle.
- 1050.5** No person shall lead more than one horse or permit or suffer more than one horse to be led from or by any other vehicle on any public place for any purpose whatsoever.

---

---

## DAIRY CATTLE ON ROADS

- 1051** No person shall permit dairy cattle to be driven across or along any road unless an alternative route is not reasonably available. Fenced stock races for the passage of dairy cows along rural roads shall not be formed on the road reserve without prior approval from Council.
- 1051.1** Any person having control of dairy cattle on any road shall ensure that the cattle are driven in such a manner and by such points of access to an exit from the road as to ensure that damage is not caused to the surface or surrounding area of the road and shall cross the road by as direct means as is practicable.
- 1051.2** Any person having control of dairy cattle on any road shall ensure that the cattle are not driven carelessly or without reasonable consideration for other persons using the road.
- 1051.3** Any person having control of dairy cattle being driven or allowed to cross on any road on a regular basis shall ensure that excrement, urine or other matter deposited upon the road from such stock is removed as far as is practicable from the carriageway of the road forthwith.
- 1051.4** Dairy cattle crossings used on a regular basis shall have suitable signs and warning lights displayed, and crossings shall be sited to permit effective and safe stopping distances for road users. Signs and warning lights shall be to a standard determined by the Council and shall be provided by the landowner. All regular crossing of dairy cattle across district roads shall be managed by the dairy herd owner in compliance with the Council's Cattle/Stock Crossing Code of Practice. The Council may amend this code of practice from time to time.

## SETTING OF SPEED LIMITS

- 1052** Pursuant to Section 684(1)(13) of the Local Government Act 1974, the Local Government Act 2002, Section 145(b) and the Land Transport Rule: Setting of Speed Limits 2003 the Ashburton District Council makes this bylaw to set speed limits as specified in the schedules.
