

Ashburton District Council School Holiday Programme Funding

Applications are invited from non profit organisations or groups, based in the Ashburton District, for financial assistance towards running school holiday programmes.

A formal application form for this scheme is to be used.

School Holiday Programme Funding Criteria

Provision is made in the annual budget for \$5,000 to be disbursed to qualifying organisations for the purpose of providing school holiday programmes with preference for programmes aimed for children aged 5 -14 years. Council will accept applications only from:

1. Non profit organisations or groups.
2. Ashburton district based groups.

Any group/entity may receive only one grant per year. The application may cover more than one programme or holiday period. Special consideration will be given to funding in view of duration and content of programme.

Applications must provide the following information:

- Outline of the programme and timetable
- The place where the programme will take place
- Number of children expected to participate
- Ratio of adults to children
- Targeted age groups
- Estimated income/expenditure for programme
- Latest audited accounts (If applicable)

Failure to provide the above information may jeopardize your application.

Applicants are required to supply Council with a report at the conclusion of the programme which will include:

- Final income/expenditure statement
- Effectiveness of programme ie numbers attending
- Evaluation of programme

Exclusions

The scheme will not fund:

- Professional coaching/tutoring fees
