

## 3.0 Food Licences

As from 1 March 2016 the registered food premises administered under the Food Hygiene Regulations 1974 will be progressively phased under the Food Act 2014 and Food Regulations 2015.

**Important Note:**

- Food Control Plans registered under the new Act prior to 1 March 2016 have a 3 year registration period until 29 February 2019.
- However, these premises are still subject to verification audits and monitoring at an audit frequency reflective of the business risk.

The following fees and breakdowns are therefore reflective of the above changes in legislation and additional audit activities.
