Consultation Document – Future of Grove Street Park

ashburtondc.govt.nz/haveyoursay

You can submit on any or all of the questions below. You don't have to complete every question.

1. Do you support the disposal of Grove Street Park?

Yes, I support the disposal of Grove Street Park No, I oppose the disposal of Grove Street Park

2. Let us know why:

The new development of Ashbury Grove is a big positive for the region and for the local community. The disposal of the Grove Street Park to allow access to the development is a positive move as it is being offset by a newer & larger park inside the development. We have brought a number of sections in the development and have had and the interest is high for the sites so this can only be existing for Tinwald. With all new developments there always needs to be some compromise but I believe what Ashbury Grove Developers are offering in a new park is a perfect solution for the community.
