#### 11. Events After the Balance Date

The Committee has agreed with the Ashburton District Council to make the Gallery an internal department of Council. The entity and its charitable status will remain, and the Gallery will continue to operate. The main Council grant funding will cease, and the employment of current staff will transition to Council. The entity will not operate a public art gallery but will continue to hold and grow a collection of art in trust for the people of Ashburton.

### 12. Impact of Covid-19

On 11 March 2020 the World Health Organisation declared the outbreak of Covid-19 (a novel Coronavirus) a pandemic. Two weeks later, 26 March 2020, New Zealand increased its Covid-19 alert level to level 4 and a nationwide lockdown commenced. As part of this lockdown all non-essential businesses and workplaces were closed. Subsequently, lockdown was lifted on 18 May 2020. After this initial lockdown, New Zealand has experienced multiple lockdowns, the most recent lockdown being a move to alert level 4 and a nationwide lockdown on the 17 August 2021. The impact of Covid-19 does not significantly impact the ability of the entity to continue operating.

### 13. Ability to Continue Operating

The committee, in approving the financial statements, consider the society to have sufficient resources to meet debts as they fall due in the foreseeable future. As such, the financial statements have been prepared on the basis of going concern.
