

Do you wish to speak in support of your submission?: No

Do you support the disposal of Grove Street Park? : Yes, I support the disposal of Grove Street Park

Let us know why:

My children are older now so we don't visit playgrounds anymore but a playground needs to look fun and appealing and also safe. The Grove Street park looks very out dated and not a great place for families to meet and enjoy the outdoors. The developers have a fantastic plan for a bigger and brighter playground so close to the existing one that will benefit more families.

Do you have any further comments?:

We are a country currently in the middle of a housing crisis and this sub division will offer fantastic options for home owners, this has to be of great benefit to Ashburton and Tinwald, and to have a brand new playground on offer for locals is an added bonus.

I understand that all submissions are public documents and will be made available on Council's website with the names of submitters included: Yes
