Draft Trading in Public Places Bylaw

Do you agree that this bylaw should be renamed to "Trading in Public Places Bylaw"?: Yes
Additional Comments: Honestly don't care either way.
Do you agree with any of the proposed changes to permitted or discretionary sites? If so, which sites do you agree or disagree with?: Yes
Additional Comments: Agree with all sites. I also would like to see more sites and/or "freedom" vending allowed. Red tape and permitting is a barrier to entry for many small business owners and tends to exclude those from disadvantaged or non-native english speaking backgrounds, which means we miss out on a more interesting, diverse (and tasty!) range of offerings in our community.
Do you have any other comments?:
