

Draft Waste Management & Minimisation Plan 2022

Our Place: Our Waste – Managing it responsibly
Consultation Document

1 We are proposing to introduce household kerbside food waste collection. Other districts have done so at a cost of about \$50 per household per year. Would you support a kerbside food waste collection service being implemented?

Yes No Why?

I have an insinkerator and also very little food waste.
My red bin goes out once every 3 to 4 weeks
"One size does not fit all" so already feel I am paying more than my share.

2 Do you agree with the key issues in the draft Plan? Which issues do you agree or disagree with?

Yes No Why?

yes I have read your plan but once again it is hard to comment when detail is very scarce.

**Please note all submissions are public documents and will be made available on Council's website.*
