Do you support the disposal of Grove Street Park? :

Yes, I support the disposal of Grove Street Park

Let us know why:

I am curious to see what the shaded area next door to the proposed new park is to be. Is it a swale for storm water run off and if so I have my doubts of placement of Play Ground because of safety issues with it having water, having one of these in my street I know how much and how long water can stay in them.
