

Do you wish to speak in support of your submission?: No

Do you support the disposal of Grove Street Park? : Yes, I support the disposal of Grove Street Park

Let us know why:

I feel if they are going to provide a park in the new subdivision it would have to be a better park than that is provided at the moment. I understand a few people are opposed to the relocation however the park at the moment is not fit for purpose and not a exciting one with very limited play equipment. Some people need to stop living in the past and embrace the oppurtunity that this could bring the community of Grove Street and surrounds.

Do you have any further comments?:

I understand that all submissions are public documents and will be made available on Council's website with the names of submitters included: Yes
