Do you support the disposal of Grove Street Park? :

Yes, I support the disposal of Grove Street Park

Let us know why:

I live on Grove St less than 200ms from the park. I have 2 1/2 year old twins and do not use that park! I have been a few times and just don't bother anymore! It is awful, old, run down and an accident waiting to happen. There is so many nice, modern, more child friendly parks available, I think it'll no loss to the community (instead harsh old iron and concrete monstrosities at that park).

Do you have any further comments?:

I'm fully in support of the park being removed, on the basis a new park, bigger and better park is built closely within the site of the old park. Still easily accessible for residents of grove st (and surrounds) without having to walk far into the new subdivision.

I understand that all submissions are public documents and will be made available on Council's website with the names of submitters included:
