Draft Waste Management & Minimisation Plan	
We are proposing to introduce household kerbside food waste collection. Other districts have done so at a cost of about \$50 per household per year. Would you support a kerbside food waste collection service being implemented?:	Yes
Why?:	I used to live in Christchurch, where we had a green waste bin. It was great, and worth the money. Currently trying to compost my green waste. By purchasing a compost bin at mitre 10 but it was expensive and too small to fit grass clippings, leaves, etc.
