Draft Waste Management & Minimisation Plan	
We are proposing to introduce household kerbside food waste collection. Other districts have done so at a cost of about \$50 per household per year. Would you support a kerbside food waste collection service being implemented?:	Yes
Why?:	I would like to see Ashburton New Zealand reduce its waste to landfill to zero. Taking all organic out of our rubbish is a good start. I would also like there to be penalties for putting organic sin rubbish bins.
Do you agree with the key issues in the draft Plan? If so, which issues do you agree or disagree with?:	Yes
