Dromore	Conditional	No
Winchmore	No	No
Methven Springfield	Conditional	Conditional
Montalto	Conditional	No

**Note:** Conditional means that a new connection will generally be permitted but it may have other conditions required.

These could include for example:

- A flow restrictor being required
- A water meter being installed
- An on-property tank and pressure pump system being required

## Wastewater Scheme

Wastewater Scheme	In Area Connections Permitted	Out of Area Connections Permitted
Ashburton	Yes	Conditional
Methven	Yes	Conditional
Rakaia	Yes	Conditional

**Note:** Conditional means that a new connection will generally be permitted but it may have other conditions required.

These could include for example:

- A private on property pump station may be required.
- The sewer main network will need to be extended.
