Do you agree with our proposal to introduce a section on the ownership of structures?:	No
Additional Comment:	
Do you have any other comments on the draft policy?:	Businesses in town have struggled enough and more changes continue to add pressure to owners. When a business sells it should stay as is rather than new owners having to reapply etc. Most cafes operating with an outdoor space have done so for many years. Speed limits in town have already reduced to create a safer zone so no need to change these outdoor spaces for safety as well.
