**SUB25/0051 LUC25/0086 8 GLASSWORKS ROAD**

Aoraki Environmental Consultancy Limited (AECL) thanks you for the opportunity to provide comment on the application for subdivision and landuse at 8 Glassworks Road, Ashburton. The proposal is to completely demolish some buildings on site – a timber shed, workshop and railway siding roof and partially demolishing a 38.4m chimney on site.

Te Rūnanga o Arowhenua has indicated they have no concerns with the proposal. They request however that an accidental discovery protocol is in place and AECL is contact should any Māori artifacts be found.

Please contact our Senior Environmental Policy Advisor, Treena Davidson by phone on 027 242 3798 or by email [treenadavidson@aecltd.co.nz](mailto:treenadavidson@aecltd.co.nz) if you have any questions or require further clarification.

Kā mihi,
