Do you support the disposal of Grove Street Park? : Yes, I support the disposal of Grove Street Park

Let us know why: This playground has been here since I was a child some 30 years ago! It really hasn't changed much and the developers will be making a new and improved playground 250% larger and I imagine with more and better play equipment.

Do you have any further comments?: I don't think this is worth opposing as it makes full sense to come off the existing road being Catherine Street... This is helping the town to grow with more new housing opportunities available to everyone.

I understand that all submissions are public documents and will be made available on Council's website with the names of submitters included: Yes
