Do you support the disposal of Grove Street Park? : Yes, I support the disposal of Grove Street Park

Let us know why:

The Ashbury Grove developers are going to be building a modern children's playground which emphasises safe play only 100 metres up the road. In addition to this, the new playground will serve the grove street residents and it will also serve the new subdivision residents and visitors. The current grove street playground is out dated so it makes sense to remove the current playground for a modern safe playground.
