6.#.10 DLC Initiatives:

No new initiatives were adopted or trialled during the reporting period.

6.#.11-Local Alcohol Policy

Ashburton's Provisional Local Alcohol Policy

In accordance with Part 2 subpart 2 of the Sale and Supply of Alcohol Act 2012, Ashburton District Council has developed a provisional Local Alcohol Policy (the pLAP).

The LAP, which was approved by Council on 26 February 2015 and publicly notified on 3 March 2015, represents an updated approach to alcohol management in the Ashburton district. It is intended to provide guidance to decision-makers in applying the new Act and any amendments that may come in the future.

Council is also in the process of preparing an Alcohol Management Strategy to provide a strategic context for the provisional LAP. There will be an extensive engagement programme to support the development of the Strategy, which will seek to elevate the discussion from alcohol-harm reduction to how we can foster a safe and vibrant late-night economy.

The pLAP has some key changes to licensing in the Ashburton district. These are:

- Allows licensed premises to be established in the district subject to meeting the requirements of the LAP, the Sale and Supply of Alcohol Act 2012, and the District Plan (or permitted by way of resource consent)
- Provides maximum trading hours for on licence premises
 - 7.00am – 2.00am for tavern-style operations
 - 7.00am – 1.00am for restaurants and cafes
 - 7.00am – 12.00 (midnight) Footpath areas – tavern, restaurant or cafes
- Allows the DLC to set more restrictive maximum trading hours if the granting of the application is considered to impact on amenity and good order of the locality to more than a minor extent
- Introduces a mandatory one-way door restriction for on-licence premises in the 'Ashburton urban' area from 1.00am
- Provides conditions the DLC may apply to licences. This includes security, CCTV cameras, lighting, the number of drinks that can be ordered at one time after a specified time and a one way door for premises outside of the 'Ashburton urban' area.
- Provides maximum trading hours for all off licences: 8.00am – 9.00pm

- Provides maximum trading hours for club licences:

- Sunday – Thursday: 10.00am – 10.00pm

- Friday and Saturday: 9.00am – 12.00am (midnight)

- Requires club-licensed premises to have a qualified duty manager on the premises at all times when alcohol is being sold or supplied and there are 20 or more people present

These changes will not take effect until the final policy is adopted following the appeals process and as at 30 June 2015, the Ashburton pLAP was the subject of appeals under the Act by the following parties:

Hospitality NZ (HANZ),

Super Liquor Holdings,

Progressive Enterprises, and

Foodstuffs Ltd

6.#.12 Current legislation

The DLC and the Ashburton District Council would welcome further coordinated guidance on best practice in the operation of the new Act and its Regulations.

6.#.13 Other matters

The DLC questions the need for a full panel to consider applications for Temporary Authorities

6.#.14 Statistics
