

ON THE MOVE

We're about to move into our new civic centre
and library building, Te Whare Whakatare.

Here's a few things you need to know!

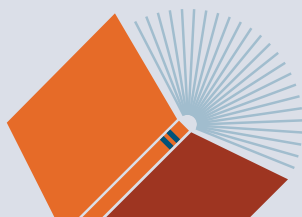

OUR NEW LIBRARY

**We're
closing
for three
weeks**

We will be closed from **4pm, Sunday 31 December** until **8.30am, Monday 22 January** when we reopen in the new building. Make sure you come and borrow a few books before we shut the doors!

Returning books?

Books will not be due back until we open in the new building and you can still return books to us at any time via the return slot at the entrance of the old library building.

It's a big job!

During the closure, our staff will be busy moving over 60,000 books and getting our new space ready.

SPACES TO EXPLORE

The new library is over twice as large as our current building!

It includes community meeting spaces, a performance space, makerspace, learning lab and sound studio.

Of course, it will still offer plenty of books, with spectacular reading areas for adults, young adults, and a cool new children's area located inside the historic Pioneer Hall!

➤ GAMING

Each computer in our Learning Lab will be equipped with headsets, controllers and a selection of popular games for our all-ages gaming sessions.

With a PlayStation 5 in our young adult's area, a Nintendo Switch in the children's area and our VR station for 13 years and older, there's something on offer for every gamer.
