# Consultation Document – Future of Grove Street Park

[ashburtondc.govt.nz/haveyoursay](http://ashburtondc.govt.nz/haveyoursay)

You can submit on any or all of the questions below. You don't have to complete every question.

1. Do you support the disposal of Grove Street Park?

Yes, I support the disposal of Grove Street Park  No, I oppose the disposal of Grove Street Park

2. Let us know why:

As a teacher at Tinwald school I support any initiatives that are of benefit to the children in the Tinwald area. A new more modern playground will be of benefit to the community compared to the small outdated under used playground that is in Grove St. A new subdivision will bring vibrancy to the area and additional families. The opportunity should not be missed for a new larger playground that the council does not have to fund.

3. Do you have any further comments?

Additionally access to the subdivision off the end of Catherine St will be closer and safer access to Tinwald school for many residents of the new subdivision.
