

Do you wish to speak in support of your submission?: No

Do you support the disposal of Grove Street Park? : No, I oppose the disposal of Grove Street Park

Let us know why:

With the growth of residents in the area two parks is required. By moving the park to the new subdivision you are taking access away from the community which existed before. The development should have their own and be responsible for the upkeep (home owners association fees).

Do you have any further comments?:

I understand that all submissions are public documents and will be made available on Council's website with the names of submitters included: Yes
