Consultation Document – Future of Grove Street Park

ashburtondc.govt.nz/haveyoursay

You can submit on any or all of the questions below. You don't have to complete every question.

1. Do you support the disposal of Grove Street Park?

Yes, I support the disposal of Grove Street Park No, I oppose the disposal of Grove Street Park

2. Let us know why:

The Playground is too small current one. The New playground is only 100m away, is over 250% larger & situated next to a grassed stormwater reserve that combined is almost 800% bigger than the existing one. I feel if they are going to provide a park in the new subdivision it would have to be a better park than that is provided at the moment. I understand a few people are opposed to the relocation however the park at the moment is not fit for purpose and not a exciting one with very limited play equipments. ~~Some people need to stop it~~

3. Do you have any further comments?

Some people need to stop living in the past and embrace the opportunity that this could bring the community of Grove Street and surrounds.
