Draft Waste Management & Minimisation Plan	
We are proposing to introduce household kerbside food waste collection. Other districts have done so at a cost of about \$50 per household per year. Would you support a kerbside food waste collection service being implemented?:	No
Why?:	Cost. Rates have already gone up this year by a large percentage. Why aren't some of those funds being used to fund this project, instead of adding more costs to the rate payers.
