

Wastewater Discharge Declaration

(In conjunction with form BAM 002)

BAM 002 - WD

VER. 2

Updated: May 17

Review: May 18

Confirmation of Permitted Activity Status: Proposed Domestic Wastewater Discharge

Please complete this statement for proposed domestic wastewater discharges that are considered a permitted activity under Environment Canterbury's Land and Water Regional Plan (LWRP) Rule 5.8 and Rule 5.12 (Greywater).

By completing this statement you are confirming that this proposed system is designed in accordance with the necessary standards and regulatory requirements.

Please contact Environment Canterbury regarding any questions on regional rule requirements:
