

15.0 Water services

Water service connection fees are charged under the Ashburton District Council [Water Supply](#) and [Wastewater Bylaws](#).

1 July 2025 – 30 June 2026	
15.1 Service Connection Application and Inspection Fee (payable on application)	
Single service – for one type of service (i.e. water only or sewer only)	\$416.00
Multiple services – two or more types of service (i.e. water & sewer or sewer & stormwater etc)	\$489.00
Note:	
<ul style="list-style-type: none"> Only Council-approved contractors can undertake service connection or disconnection work. The scope of the work includes all construction from the property boundary up to and including connection to the Council main (or kerb and channel for stormwater connections). The applicant is required to engage an ‘Approved Contractor’ of their choice and meet the costs of the work directly. Council normally inspects the work during and / or at the completion of construction. Written approval of the physical work will be provided to the applicant and the contractor. 	
15.2 Water Main Tapping Fee (payable on application)	
Connections 50mm diameter and smaller - Ashburton only	\$238.00
Connections 50mm diameter and smaller - Other ADC supplies	\$380.00
Connections greater than 50mm diameter (All supplies) (+ \$1000 deposit)	At cost
Physical work associated with live tapping of water mains shall be undertaken only by Council’s maintenance contractor. The cost of this work will be recovered by Council.	
15.3 Reticulation / Facility Cost Recovery Fees	
This fee is in addition to development contributions, service connection application and inspection fee and main tapping fee.	
This fee recovers the cost of providing reticulation to the below areas and is payable at the time of application to connect to the water supply or wastewater reticulation.	
The fee applies to new connections in the following locations:	
NW Ashburton Reticulation Cost Recovery	\$1,912.00
