Attachments: R6 - Terrace View - Landscape Drawings for Consent.pdf

Hello Nicholas

In accordance with the Commissioners Minute 2, please find attached updated landscape drawings.

These drawings have further clarification on fencing type along boundary including a 1.8m wooden fence.

They show where this fence shoulders down and where it terminates in relation to the waterway.

A griselinia hedge along the inside of the fence between the trees is proposed.

The large marcocarpa hedging is not shown and the intention is that that hedge would be removed.

Kind Regards

DH
