Do you support the draft Dog Control Policy as presented?: Yes

Let us know why: The policy is reasonable and practical.

Do you support the draft dog Control Bylaw as presented?: Yes

Let us know why: I support the extension of the prohibited dogs areas to include the shores of Lake Clearwater, in particular. This will mean there is consistency with DOC policy. It will be simpler for dog owners to understand that they are unable to bring their dogs into the settlement and whole foreshore area. It will help better protect the wildlife on the Lake and foreshore, especially the crested grebes which are special.
