## Building Regulation

- a. These fees are a **minimum** charge. When the cost to Council of providing the service exceeds this minimum charge, the Council may recover all additional costs on a time and cost basis. Time in excess of that covered by minimum fees will be charged in 15 minute increments to the nearest quarter hour. Building consent processing is charged at a fixed hourly rate, in 15 minute increments.
- b. Additional costs incurred by Council to provide the service required, such as materials and consultants, are charged at the cost to Council plus 10% cost for administration.

Building fees and charges are charged under the Building Act 2004. Building infringements are determined by statute and can be found in the Building (Infringement Offences, Fees and Forms) Regulations 2007. The Building Research Association of New Zealand (BRANZ) levy is charged under the Building Research Levies Act 1969. The Department of Building and Housing (DBH) levy is charged under the Building Levy Order 2005.

### Food Licences

As from 1 March 2016 the registered food premises administered under the Food Hygiene Regulations 1974 will be progressively phased under the Food Act 2014 and Food Regulations 2015.

#### Important Note:

- Food Control Plans registered under the new Act prior to 1 March 2016 have a 3 year registration period until 29 February 2019.
- However, these premises are still subject to verification audits and monitoring at an audit frequency reflective of the business risk.

The following fee and breakdowns are therefore reflective of the above changes in legislation and additional audit activities:
