Draft Trading in Public Places Bylaw

Do you agree that this bylaw should be renamed to “Trading in Public Places Bylaw”?: Yes

Additional Comments:

Do you agree with any of the proposed changes to permitted or discretionary sites? If so, which sites do you agree or disagree with?: Yes

Additional Comments: We should be able to set up at other sites. this is our livelyhood and we are just trying to make a living. Having a site at Rakaia would be great . What about Hinds Domain?

Do you have any other comments?: We would like to trade at Hinds Domain by the public toilets. We also wanted to trade at Rakaia behind the toilets, but were told no!! and dont asked about any other sites the answer will be a straight out no!!! one thing the council needs to address when coming up with sites is there needs to be toilets on site. With hot water to wash your hands and a hand dryer. There needs to be a toilet at the Ashburton Domain Layby.
