Consultation Document – Future of Grove Street Park

ashburtondc.govt.nz/haveyoursay

You can submit on any or all of the questions below. You don't have to complete every question.

1. Do you support the disposal of Grove Street Park?

Yes, I support the disposal of Grove Street Park No, I oppose the disposal of Grove Street Park

2. Let us know why:

We ~~had~~ brought our house beside the park 15 years ago, that was one of the bonuses having the park there. I think putting the road through there will cause accidents, I don't want to be woken at night with a car coming through the fence. Does this mean my rates will increase having two street fronts ???

3. Do you have any further comments?

I think the developers have counted their chickens before they've hatched. I have had ~~not~~ had any body approach me in regards to the park being used as entrance, and we will be affected by this along with three more properties. Never assume always ask!
