Members declared an interest and gave notice they will withdraw from debate and decision on the following items:

- Kelvin Holmes Methven Lions Club & Mt Hutt Memorial Hall Board funding applications
- Liz McMillan Mt Hutt Memorial Hall Board funding application
- Ron Smith Methven Lions Club funding application

4 Confirmation of Minutes

That the minutes of the Methven Community Board meeting held on 18 October 2021, be taken as read and confirmed.

McAlpine/Holmes

Carried

Public Forum

Sue Abel from Neighbourhood Support gave an overview of the Neighbourhood Support "Gets Ready" programme which is designed for emergency events such as Civil Defence.

It was noted that it has been a year since Neighbourhood Support have been in Methven. Sue advised that they are always looking for co-ordinators. The "Gets Ready" programme has more of an urban than rural focus, and while it's different to emergency response they work with Civil Defence to support the community response teams.

The Board agreed it would be useful to have a community meeting to try and get more support.

5 Methven Cemetery Development Plan

- Topping of trees will be done. Ron is mindful of the costs incurred by chipping timber and asked if it would be cheaper to burn. Ian advised that the Open Spaces team are looking at all options and will also have to align to the Health & Safety Act and the town fire regulations. Grinding is the preferred option as it will allow chip to be used.
- Ian advised that a report has gone to Council and approval has been given for up to \$70,000 for remediation work at the cemetery. He noted that the cemetery will remain operational during this work.
 - 1. **That** the report be received.
 - 2. **That** the Methven Community Board adopts the draft Methven Cemetery Plan for implementation over time as funding allows.

Holmes/McMillan

Carried

6 Activity Reports

That the reports be received.

McAlpine/Holmes

Carried

Open Spaces

That the Board requests Camrose to mow the roadside grass on the adjacent Holmes Rd and main road.

Holmes/McAlpine

Carried

Roading

The Board asked what Council's process is for following up completed council works if considered unsatisfactory. It was agreed that the Board will notify Council of any issues via Snap Send Solve, or through the Community Administration Officer.

Drinking Water

The Board was updated on the Methven reservoir project and water treatment plant upgrade. It was further noted that the manifold for the water meter trial has arrived and the meters are due to be received in February.

• Discretionary grant requests

Kelvin Holmes and Ron Smith withdrew from debate on the Methven Lions application.

That the Methven Community Board approves funding of \$1,400, from the Board's discretionary fund for the Methven Lions Convention audio-visual system.

McMillan/McAlpine

Carried

That the Methven Community Board approves funding of \$4,206, from the Board's discretionary fund for the Methven tennis and netball court line re-painting.

Holmes/Smith

Carried

That the Methven Community Board approves funding of \$2,000, from the Board's discretionary fund for the Methven Scarecrow Trail 2022.

Owen / Holmes

Carried

Extraordinary business

- Mt Hutt Memorial Hall & Collie Club funding request
- Mt Hutt Memorial Hall funding request

Kelvin Holmes and Liz McMillan withdrew from debate on the Mt Hutt Memorial Hall application.

That the Methven Community Board approves funding of \$2,910, from the Board's discretionary fund for The Mt Hutt Memorial Hall System upgrade

Letham /McAlpine

Carried

- Methven Collie Club funding request

The recommendation to approve funding for Methven Collie Club event and book publishing for the Club's 125 years of dog trialling at Methven was not supported, due to this organisation not being based within the Community Board boundary.

5. Community Services

5.1 Open Spaces

Reserves

Summer maintenance of open Spaces assets around the town are continuing. Weed control in all areas continues as we experience a period of favourable weather conditions for growth with regular rainfall and temperatures being conducive for germination and growth.

Holmes Road mowing has occurred on the northern side and this site is looking good. Staff plan to schedule mowing on a three to four monthly cycle.

Thyme Stream Walkway, Mt Harding Road – Council Open Spaces staff and the developer of this subdivision had an onsite handover meeting at the end of last year to discuss the ongoing maintenance of this Open Spaces asset. Maintenance will be a joint effort between the parties with the developer's kindly offering to continue mowing the grass along the walkway.

Methven Cemetery

Staff continue to work with the Methven Lions Club around a refresh of the frontage. This includes reinstatement of the original entrance as the primary entry point into the cemetery, replacement fencing, and refurbishment of the original gates. This work is proceeding well and being delivered by the community for the community.

The clean-up work from tree felling occurred prior to Christmas. There is now mulch onsite for use around future plantings and the stumps and slash have been removed from site. This clean-up work has proved costly with the majority of Council allocated funding being used. The contractor undertaking the clean-up had underestimated the volumes involved which incurred additional costs over and above the estimate provided.

In the New Year staff will commence planning of site remediation, track reinstatement and driveway realignment and revegetation plantings should commence in Autumn or Winter when weather conditions are more favourable for planting.

Public Toilets

Staff report that it is business as usual at the public conveniences around Methven. Installation of the baby change tables has been contracted out due to workload and the need for structural connection to the internal walls. It is scheduled to issue in the New Year.

For example, the Opuke Hot Pools consent was issued in May 2020 for a value of \$6,500,000 and Thyme Stream subdivision has had \$1,914,000 of consents issued to the end of 2020. Thyme Stream this year has been \$1,950,000.

7 Infrastructure Services

7.1 Roading

- The guardrail design for the RDR Bridge on Pudding Hill Rd has been finalised with the tender document being prepared.
- Flood damage repairs are complete.

7.2 Drinking Water

• Reservoir project

Ground work has started on site in preparation for the steel reservoir panels to arrive in March 2022.

There were some initial difficulties on site, including the discovery of a large underground concrete chamber, but these have been addressed.

• Water treatment plant upgrade

The tender for the supply and installation of the membrane equipment for the Methven and Mt Somers plants was issued to the shortlisted contractors on Friday 14 January 2022. Tenders close on 25 February and award is expected on or around 21 March 2022.

The lead time for this equipment is on the order of 9 months, so installation is expected to begin at the start of 2023.

While the membrane equipment is being shipped and assembled, the detailed design for the remainder of the plant will be progressed. The intention is to have a plant designed and constructed by the end of 2022 in time for the membrane equipment to be installed.

The key next steps are to carry out detailed soakage and geotechnical investigations on the proposed sites, to progress discussions around land acquisition, and to begin consenting work.

Methven Collie	N/A	Y	N	Υ		N	annual 2 day trial which is our 125th, we are reprinting the previous 100 year	The trial are held every year but it is a great opportunity to celebrate 125 years of dog trialling at Methven. The book is all about history of the club and the people involved past and present. Trialist come from all over NZ to compete at our trial. The next 25 year booklet will be printed after the trial to be able to have the results, photos and more in it.		The Trialist. The Club. The community via the historical records in the book.		We have sold out of this book in the past.			The Book project is being run by Volunteers.	\$1,000	DTBA	The club will have to make up the shortfall. We are receiving sponsorship from other entities as well.	N		Book would be of historic benefit. Potential economic benefit to the town.
