Draft Waste Management & Minimisation Plan	
We are proposing to introduce household kerbside food waste collection. Other districts have done so at a cost of about \$50 per household per year. Would you support a kerbside food waste collection service being implemented?:	Yes
Why?:	Yes for most people it would be a fantastic way to reduce the waste to landfill.
Do you agree with the key issues in the draft Plan? If so, which issues do you agree or disagree with?:	Yes
Why?:	
Do you agree with the proposed actions in the draft Plan? If so, which actions do you agree or disagree with?:	Yes
Why?:	
Do you have any other comments?:	How can we make this an opt in/out service? We like many in the district have chooks and pigs we give our food waste to, so although we support this proposal as a whole how do those already not putting food waste to landfill not have to pay.
