Q2

Do you agree with our three areas of focus and their associated goals?

Living, working and learning here - Our residents are engaged and invested in our community	Agree
---	--------------

Doing business here - Our businesses are thriving, innovative and resilient to change	Agree
---	--------------

Visiting and playing here - Our district is a destination of choice for locals and visitors, with great leisure, entertainment and recreational activities	Agree
--	--------------

Please explain why	If we as a community, are to reach out and attract people to come here to live, we have to prioritize, services to support these businesses . The glowing example here is with our population growing with more development, we need more Doctors. What part can the local council, play in lobbying on our behalf.?
--------------------	---

Q3

Do you agree with our draft action plan on pages 12 - 17?

Yes,
Please explain why:
The strategy as set, seems to cover most of the needs of the district.

Draft Economic Development Strategy

Q4

Does the strategy and action plan address what you see as the key issues facing economic development in our district?

Yes,

Please explain why:

All future development that the council is involved with, must always be considered in line with priority, and considering its impact on rates. After all, any development that can be sheared with an entrepreneurial developer must be encouraged.

Q5

The strategy outlines the role Council will play in economic development. Do you agree with this and / or are there any other areas you think we should include?

Yes

Q6

Do you have anything else you'd like to mention?

Please don't become the chief financier for every development in our district, as it could become so easy for developers to allow this to become the new norm.

Q7

Do you wish to speak in support of your submission at the hearing?

No - I do not wish to speak in support of my submission and ask that my written submission be fully considered.
