The reserve is made up of three separate land parcels, which are held under the Reserves Act 1977.

Legal Description	Land Status
Lot 40 DP 42056	Recreation Reserve
Lot 18 DP 54737	Recreation Reserve
Lot 17 DP 62146	Recreation Reserve

Background

This reserve was created through subdivision and vested in Ashburton District Council for recreation purposes and was classified in 2024. The reserve and surrounding area is said to have been part of a nursery.

Occupation/ Leases (as at April 2023)

No formal occupation.

Key issue(s)

None identified.

Specific policies

The following specific policies apply:

1. At the end of its useful life, upgrade the playground to provide for a wider age range. Consider provision of all abilities equipment and surfaces at this site.
2. Provide shade over that playground through planting of appropriate trees.

Development opportunities

The following opportunities have been identified:

- Install seating next to the playground.
- Opportunity to work with the local community to improve this reserve.

04. Ferrier Place Park

Description

Ferrier Place Park is a small neighbourhood reserve located at the corner of Ferrier Place and Nixon Street in Tinwald. The Ashburton Pottery Society building (not part of the scope of this plan) is bordering the reserve to the southeast. An area of unformed legal road, adjacent to Lot 2 DP 54737, forms part of the open space (approximately 176m²).

Address	28 Nixon Street, Tinwald
NZRA Reserve Category	Neighbourhood
Total Size (in ha)	0.0651

The reserve is made up of three land parcels, which are all held under the Reserves Act as Recreation Reserve.

Legal Description	Land Status
Lot 2 DP 54737	Recreation Reserve

1. Formally incorporate the unformed legal road into the reserve by undertaking the relevant road stopping process and declaring the land reserve.

Development opportunities

The following opportunities have been identified:

- Install signage to identify the site as a reserve.
- Install seating.

05. George Glassey Park

Description

George Glassey Park is large neighbourhood reserve on the eastern side of Tinwald. The reserve provides a playground for a range of ages. It is largely grassed, with few trees. Limited furniture is provided. It provides a walkway link between Graham Street and Agnes Street.

A significant portion of the land used as open space is owned by the Ministry of Education (Part Lot 8 DP 13935). This land is located on the opposite side of Graham Street from Tinwald School.

Address	Agnes Street, Tinwald
NZRA Reserve Category	Neighbourhood Recreation and Ecological Linkage
Total Size (in ha)	1.5344

The reserve is made up of five land parcels. The land parcels are owned by Ashburton District Council and held under the Reserves Act 1977.

Part Lot 8 DP 13935 is owned by the Crown and was set aside for State Primary School in 1970 is used and maintained as part of the open space.

Legal Description	Land Status
Lot 13 DP 42710	Recreation Reserve
Lot 12 DP 42710	Recreation Reserve
Pt Lot 1 DP 33657	Recreation Reserve
Pt Lot 2 DP 22396	Recreation Reserve
Pt Lot 1 DP 40734	Recreation Reserve

Background

The parkland was likely acquired by Ashburton District Council as part of the development of the surrounding land. Part of the land was formerly a joinery and acquired by Ashburton Borough Council in the mid-1980s.

Anecdotally, the reserve was to be called Fooks Park after the early surveying family who did most of the surveying work in the late 1800s and through to the mid 1940s. For additional information about the area see Bayliss History of Tinwald.

Occupation/ Leases (as at April 2023)

No formal occupation.

Key issue(s)

The following key issues are identified:

- Part of the land (Pt Lot 8 DP 13935) is owned by Ministry of Education.

- No shade over playground.

Specific policies

The following specific policies apply:

1. Formalise agreement with Ministry of Education for the continued use of Pt Lot 8 DP 13935 as open space.
2. Investigate use of part of Lot 14 DP 42710, formerly part of the Jonco Joinery land.

Development opportunities

The following opportunities have been identified:

- Develop a concept plan for this reserve to set out a high-level vision for its development as open space. The plan could include consolidation of play equipment, plantings, including tree planting for shade, paths and seating, and public conveniences. Concept plan should give consideration to reserves and playgrounds on the east side of Tinwald and provide complimentary play opportunities for different ages and abilities.

06. Harland Street Park

Description

Harland Street Park is neighbourhood reserve in Tinwald. A playground is located on the Harland Street side of the reserve, which is suitable for preschool-aged children. The reserve features mature trees and some furniture. The reserve has good road frontage on Harland Street, but can only be accessed from Thomson Street via a narrow accessway.

Address	74 Harland Street, Tinwald
NZRA Reserve Category	Neighbourhood
Total Size (in ha)	0.3379

The reserve is made up of two land parcels, which are held as Recreation Reserve under the Reserves Act 1977.

Legal Description	Land Status
Lot 11 DP 20416	Recreation Reserve
Lot 2 DP 25454	Recreation Reserve

Background

This reserve was vested in Ashburton District Council for recreation purposes in the 1960s.

Occupation/ Leases (as at April 2023)

No formal occupation.

Key issue(s)

The following key issues are identified:

- No formed access path to playground or through reserve;
- Accessway into the reserve from Johnstone Street is not usable due to encroachment from neighbouring properties.

Specific policies

The following specific policies apply:

1. Encroachment on Johnstone Street access to be addressed in line with relevant policies in Volume 1 of this plan.

Development opportunities

The following opportunities have been identified:

- Install signage at Thomson Street access to the reserve.
- Develop an all-weather pathway through the reserve to connect Thomson Street and Harland Street and provide better access to the playground.

07. Oaklea Linkages

Description

Oaklea Linkages is made up of three land parcels located at the end of Whiteoak Grove. All three land parcels provide green linkages between the adjacent streets. Some trees are planted in the reserves.

Occupation/ Leases (as at April 2023)

No formal occupation.

Key issue(s)

None identified.

Specific policies

No specific policies required.

Development opportunities

The following opportunities have been identified:

- Development of a formed all weather pathway to provide a walking connection to Tinwald Domain, as part of the development of a wider network of walking tracks in Tinwald Domain with linkages to various new subdivisions. Creation of a link to Tinwald Domain may require acquisition of additional land or access agreements over private property.

09. Oaklea Whiteoak Grove Linkage

Description

Oaklea Whiteoak Grove Linkage is a small linear reserve adjacent to Whiteoak Grove. A small amenity planting area is located close to the corner with Waterford Place. This screens a utilities area. Some trees have been planted in the reserve adjacent to Whiteoak Grove.

The reserve is made up of one land parcel, which is held under the Reserves Act 1977.

Address	Waterford Place, Tinwald

Area B SO Plan 19679	Held under Local Government Act
Area C SO Plan 19679	Held under Local Government Act
Area E SO Plan 19679	Held under Local Government Act

Background

Lot 2 DP 68747 is vested in Ashburton District Council.

Areas B, C and E SO Plan 19679 were acquired by Ashburton District Council from the Crown/ Kiwirail in the 1990's. The land was gazetted as 'Land Acquired for Development of Public Amenity' and formally vested in ADC in 2000 via NZ Gazette 2000 p 1895 (Area E), 1896 (Area C) and 1898 (Area B).

Occupation/ Leases (as at April 2023)

No formal occupation.

Key issue(s)

None identified.

Specific policies

The following specific policies apply:

1. Retain Areas B, C and E SO Plan 16979 under the Local Government Act as land for development of public amenity and continue to manage as open space.
2. Consider development of an off-road walking and cycling path on the land in line with the proposed walking and cycling projects in the Ashburton District Council Walking and Cycling Strategy 2020-2030.

Development opportunities

The following opportunities have been identified:

- Install signage to identify the sites as Archibald Street Park.

11. Parkland at Melcombe Street

Description

Parkland at Melcombe Street is made up of two land parcels stretching from the Melcombe Street underpass to Anne Street intersection along the western side of the railway line along Melcombe Street. The area from Melcombe Street Crossing to Lagmhor Road is not included in scope of this plan, as it is still held for Railway purposes.

The reserve provides a visual amenity open space with many trees, annual plant beds and some seating.

A stormwater pond for the Oaklea subdivision is located in the western part of Section 1 SO 19679, close to the intersection of Whiteoak Grove and Melcombe Street.

Address	Melcombe Street, Tinwald
----------------	--------------------------

NZRA Reserve Category	Recreation and Ecological Linkage
Total Size (in ha)	3.1438

The reserve is made up of two land parcels.

Legal Description	Land Status
Section 1 SO 19679	Held under Local Government Act
Area D SO Plan 19679	Held under Local Government Act

Background

Area D SO 19679 and Section 1 SO 19679 were acquired by Ashburton District Council from the Crown/ Kiwirail in the 1990s. The land was gazetted as 'Land Acquired for Development of Public Amenity' and formally vested in ADC in 2000 through NZ Gazette 2000 p 1898.

Occupation/ Leases (as at April 2023)

No formal occupation.

Key issue(s)

None identified.

Specific policies

The following specific policies apply:

1. Retain Area D and Section 1 SO 19679 under the Local Government Act as land acquired for development of public amenity and continue to manage as open space.
2. Consider development of an off-road walking and cycling path on the land in line with the proposed walking and cycling projects in the Ashburton District Council Walking and Cycling Strategy 2020-2030.

Development opportunities

The following opportunities have been identified:

- Install signage to identify the sites as Melcombe Street Park.

12. Wisteria Place Park

Description

Wisteria Place Park is neighbourhood reserve with a pre-school age playground on the south-eastern side of Tinwald. A shared pathway runs through the reserve, connecting Thomson Street, Wisteria Place and Elmwood Grove. The reserve contains some furniture and limited areas of planting or mature trees.

Address	Wisteria Place, Tinwald
NZRA Reserve Category	Neighbourhood Recreation and Ecological Linkage
Total Size (in ha)	0.4222

The reserve is made up of two land parcels, both are subject to the Reserves Act 1977.

Legal Description	Land Status
Lot 12 DP 402947	Recreation Reserve
Lot 33 DP 410229	Recreation Reserve

Background

This reserve was created through subdivision and vested in Ashburton District Council for recreation purposes.

Occupation/ Leases (as at April 2023)

No formal occupation.

Key issue(s)

The following key issues are identified:

- The playground in the reserve provides for a very limited age range only with limited play value.
- There is limited shade and seating provided in the reserve.

Specific policies

The following specific policies apply:

1. Consider provision of play equipment for wider age range and for more diverse play.
2. Provide shade over that playground through planting of appropriate trees.

Development opportunities

The following opportunities have been identified:

- Install signage to identify the reserve and connections the pathway provides.

Parks and Reserves in Ashburton

13. Argyle Park

Description

Argyle Park is situated at the corner of Middle Road and Farm Road in Allenton. The reserve is dominated by sports fields for football and softball. The playground located along Middle Road is suitable for all ages. The reserve also has a popular shared walking and cycling track, which circles the sports fields.

Argyle Park is an off-leash dog exercise area. This excludes the sports fields and playground area, where dogs are prohibited. The reserve is also popular with local schools for cross country runs.

The reserve also contains public conveniences. They are located next to Council's water supply plant near the Middle Road/ Bathurst Road intersection and were constructed in 2019.

At the southern end of the reserve there is a large shingled carpark accessed from Middle Road.

The reserve also contains a dwelling, located off Middle Road.

Address	158 Middle Road, Allenton
NZRA Reserve Category	Sport and Recreation Neighbourhood
Total Size (in ha)	17.0802

The reserve is made up of four land parcels. All subject to the Reserves Act 1977.

Legal Description	Land Status
Lot 187 DP 235	Recreation Reserve
Lot 188 DP 235	Recreation Reserve
Lot 189 DP 235	Recreation Reserve
Lot 190 DP 235	Recreation Reserve

Background

Lot 187 DP 235 was declared by order in Council in March 1953 to form part of Ashburton Domain. The powers of the Ashburton Domain Board were given to the Borough of Ashburton through NZ Gazette 1889 p 2019. Through local government reorganisation in the 1980s, Ashburton District Council is the administering body for this land parcel. NZ Gazette 1980 p 2267 declared Lot 187 DP 235 to be reserve classified for recreation purposes.

Lot 188 to 190 DP 235 were created via subdivision in 1878 and are owned by Ashburton District Council (via predecessor councils). These

three land parcels were declared to be Recreation Reserves under the Reserves Act in 2024.

Occupation/ Leases (as at April 2023)

The following occupation agreements apply to the reserve:

Occupier	Instrument	Final Expiry
Residential Tenancy Agreement	Tenancy agreement	Periodic

Key issue(s)

The following key issues are identified:

- Ongoing requirement for tree monitoring.
- Dog owners compliance with the Dog Control Bylaw (outside scope of this plan).
- Some occupancy of the reserve by clubs and community organisations appears not to have been formalised.

Specific policies

The following specific policies apply:

1. Consider opportunity to create multi use-sports hub at Argyle Park for softball and football.
2. Continue to provide for residential use of the residential building within the reserve.
3. Review occupancy of the reserve and, if required, formalise this through appropriate agreements.
4. Contemplate leases and licenses within existing footprints on Recreation Reserve, for the continued provision of softball and football in line with the general policies in Volume 1.

Development opportunities

The following opportunities have been identified:

- Consider improving the site through drainage, irrigation and lighting.
- Undertake more native plantings, especially at the western end of the reserve. This was suggested during the first round of community consultation for this plan.
- Create additional off-street parking, including potentially angled parking adjacent to Middle Road.
- Paint sections of the path with road markings to create learn to cycle track. Also opportunity to add play along the way e.g. hop scotch, nature discovery, etc.
- Create pedestrian/cycling connections that will connect the reserve to existing and new linkages and reserves in the area.

14. Ashburton Cemetery

Description

Ashburton Cemetery is located at the corner of Bremners Road and Seafield Road on the north eastern side of Ashburton. The Ashburton Cemetery Extension, off Seafield Road, (referred to as the ‘Seafield Lawn’) was opened in October 2020 and is to cater for the town’s burial needs for the next 40 years.

Toilet facilities are provided for visitors of the cemetery close to the entrance off Bremners Road.

The cemetery includes the historic sexton’s building, which was restored in 1994 by the Pakake Lions Club.

Address	Seafield Road, Netherby
NZRA Reserve Category	Cultural Heritage
Total Size (in ha)	22.0284

The cemetery is made up of five land parcels, three of which are currently being used for burial. Two land parcels along Bridge Street are being considered for potential future use as cemetery and have been included in the scope of this plan. Three of the land parcels are held under the Reserves Act 1977 and were classified in 2024, two are held under the Local Government Act as open space.

Legal Description	Land Status
RES 2283 SO 4496	Local Purpose (Cemetery) Reserve
Pt Res 1775 SO 7507	Local Purpose (Cemetery) Reserve
Lot 2 DP 357743	Local Purpose (Cemetery) Reserve
Lot 1 DP 80251	Held under Local Government Act
Lot 2 DP 47823	Held under Local Government Act

Background

The original cemetery was a small square, about one acre in size, on the corner of Bremners/Seafield Roads. The first burials took place here in ca 1879.

A chapel was located at the northern end of the avenue of yew trees leading from the Seafield Rd gates.

The area east and west of the yew trees was a horse paddock for people attending services in the chapel. Later, it became a carpark, and the chapel was demolished. In the 1950s the area became known as Ashburton Lawn Cemetery. When an additional area was developed (on Lot 2 DP 357743) it was referred to as the ‘new’ lawn cemetery. Both of these areas are now referred to as the ‘Bremners Lawn’.

The Sextons Building was originally where the flagpole is located now. It was moved to make way to expand the soldiers' section of the cemetery. It consisted only of a small office and tool shed. The building was eventually restored by the Ashburton District Branch of the NZ Historic Places Trust with assistance from the Pakeke Lions Club.

The fence along Seafield Rd was donated by Captain Coleman and originated from Baring Square East. Two of its gates are now at the Ashburton Domain, at the Wills Street corner.

RES 2283 SO 4496 was established as a cemetery in 1878 (NZG 1878 p 483). A title has not been issued for the land. This action should be undertaken as soon as possible. NZ Gazette 1915 p 276 vests the land in the Borough of Ashburton for public cemetery.

Pt Res 1775 SO 7507, formerly a plantation reserve, was changed to reserve for cemetery purposes in 1943 (NZG 1943 p 1520). The registered owner is Ashburton District Council. The reserve is crown derived and subject to the Ngai Tahu Claims Act 1998.

Lot 2 DP 357743 is held as Fee Simple land by Ashburton District Council. This was declared reserve and classified in 2024.

Lot 1 DP 80251 and Lot 2 DP 47823 are owned by Ashburton District Council as Fee Simple land.

Occupation/ Leases (as at April 2023)

No formal occupation.

Key issue(s)

The following key issues are identified:

- No title has been issued for RES 2283 SO 4496.

Specific policies

The following specific policies apply:

1. Retain Lot 1 DP 80251 and Lot 2 DP 47823 under Local Government Act, until such time as they might be required for cemetery purposes.

Development opportunities

The following opportunities have been identified:

- Request for a public toilet in new part of the cemetery.

15. Ashburton Dog Park and Robilliard Park

Description

Ashburton Dog Park and Robilliard Park is a large sport and recreational reserve on the southeast side of the Ashburton / Hakatere River. The main access to the Dog Park is off Cass Street, while the access to Robilliard Park is from the southern end of Chalmers Avenue.

The Dog Park is an off-leash dog exercise area, which includes separate dog exercise areas for small and large dogs, as well as dog play equipment in both areas and a drinking fountain.

Robilliard Park features a rugby league field. The Ashburton Collegiate Rugby Club and Squash Club are located adjacent to the reserve on a separate land parcel, which is not within scope of this plan.

Ashburton / Hakatere River Trail¹ runs through the reserve.

Address	The Terrace, Ashburton
NZRA Reserve Category	Sport and Recreation Neighbourhood
Total Size (in ha)	11.8050

The reserve is made up of three different land parcels, all classified Recreation Reserves subject to the Reserves Act 1977.

Legal Description	Land Status
Pt RS 40466	Recreation Reserve
RS 40668	Recreation Reserve
RS 40467 SO 13539	Recreation Reserve

Background

RS 40466, formerly part reserves 300 and 2668, was brought under Part II (Public Domains) of the Reserves, Domains and National Park Act 1928 and declared to form part of Ashburton Domain and to be administered by the Domain Board through NZ Gazette 1952 p 1774.

NZ Gazette notice 1980 p 2267 classified the land as Recreation Reserve.

¹ The trail is an easy walk or cycle which follows the Ashburton River from Melrose Road to the sea at Hakatere. Along the trail there are several access points allowing sections of the trail to be enjoyed individually.

RS 40467 SO 13539 was created in the 1970s as part of a subdivision of land that created land for protection of the Hakatere River. It was formerly part of Pt Res 3905. NZ Gazette 1976 p 4221 set aside RS 40467 for recreation purposes pursuant to the provisions of the Land Act and declared it to be public domain subject to the provisions of Part III of the Reserves and Domains Act 1953. It also set it aside to form part of Ashburton Domain and to be administered by the Domain Board. Gazette notice 1980 p 2267 classified RS 40467 as Recreation Reserve.

RS 40468, 1.665 ha in area and formerly part of Res 2668, was brought under Part III (Public Domains) of the Reserves, Domains and National Park Act 1928 and declared them to form part of Ashburton Domain and to be administered by the Domain Board through NZ Gazette 1952 p 1774. The powers of the Ashburton Domain Board were given to the Borough of Ashburton through NZ Gazette 1889 p 2019.

NZ Gazette 1976 p 422 declared that pursuant to the Reserves and Domains Act 1953, RS 40468, formerly part of Res 2668, shall cease to be subject to the provisions of Part III of the Reserves and Domains Act 1953, and be deemed to be a recreation reserve subject to Part II of the said Act, and further, revokes the reservation for recreation purposes over the said reserve. NZ Gazette 1976 p 422 sets aside the land as Local Purpose (Soil Conservation) Reserve.

A separate gazette notice on the same page appoints the South Canterbury Catchment Board to control and manage the reserve. The powers and authorities of the South Canterbury Catchment Board were passed to Canterbury Regional Council by authority of the Local Government (Canterbury Region) Reorganisation Order 1989 (section 16), published in Gazette 1989 pages 2296 to 2303.

Vehicle access and carparking for the Dog Park was at the end of William Street until a new carparking area and entrance was created at

the end of Cass Street in conjunction with the neighbouring Kmart development in 2022.

Occupation/ Leases (as at April 2023)

No formal occupation.

Key issue(s)

The following key issues are identified:

- Dog owners compliance with the Dog Control Bylaw.
- Flooding/ inundation impacts on dog park area.
- Environment Canterbury has been appointed to control and manage RS 40468, though Ashburton District Council is undertaking the day to day management of the reserve.

Specific policies

The following specific policies apply:

1. Contemplate leases and licenses within existing footprints for the continued provision of rugby league on Robilliard Park in line with the general policies in Volume 1.
2. Liaise with Department of Conservation/ Land Information New Zealand to formally vest administration of RS 40468 in Ashburton District Council. Currently this land is included for advocacy purposes only.

Development opportunities

The following opportunities have been identified:

- Identify as local reserve through signage.
- Continued pathway upgrades.
- Improve the William Street frontage to Robilliard Park with landscaping improvements e.g. carparking, bollards, signage, planting and furniture.

16. Ashburton Motorcycle Park

Description

The Ashburton Motorcycle Park is located at the end of Trevors Road in Hampstead, on the northern side of the Ashburton / Hakatere River. The reserve includes the Ashburton Motorbike Park, which has a number of dirt motorbike tracks that run through the trees.

It also includes parts of the Ashburton / Hakatere River Trail. The trail is an easy walk or cycle which follows the Ashburton River from Melrose Road to the sea at Hakatere. It is a former rubbish tip site.

The reserve is made up of one land parcel, which is subject to the Reserves Act 1977.

Address	Trevors Road, Hampstead
NZRA Reserve Category	Nature Recreation and Ecological Linkage
Total Size (in ha)	8.0937
Legal Description	Res 3540 BM 45
Land Status	Recreation Reserve

Background

The land was temporarily reserved in 1901. NZ Gazette 1901 p 988 then permanently reserved the land for rubbish and drainage purposes.

Subsequently NZ Gazette 1948 p 349 vested the land in Ashburton Borough Council for rubbish and drainage purposes, subject to section 9 of the Public Reserve, Domains and National Parks Act 1928. The land was classified in 2024.

Occupation/ Leases (as at April 2023)

The following occupation agreements apply to the reserve:

Occupier	Instrument	Final Expiry
Ashburton Motorcycle Park	Licence to Occupy	Expired

Key issue(s)

The following key issues are identified:

- The reserve is a former rubbish tip site.

- Potential impact on Hakatere River from activity on land, including motorbike park.
- The occupation agreement appears not to be current.

Specific policies

The following specific policies apply:

1. Contemplate leases and licenses within existing footprints for the continued provision of motorbike park in line with the general policies in Volume 1.
2. Protect the values of the adjacent Hakatere River through appropriate management of the land.
3. Consider potential opportunities for riparian plantings to protect the values of the Hakatere River.

Development opportunities

No development opportunities identified.

17. Ashburton Skate Park

Description

Ashburton Skate Park is located at 70 West Street in Ashburton. It provides skate facilities. One large tree provides some shade. Some seating is provided in the south-eastern part of the park.

The reserve is made up of one land parcel, which is held under the Local Government Act.

Address	70 West Street, Ashburton
NZRA Reserve Category	Neighbourhood

Total Size (in ha)	0.1477
Legal Description	Area J SO Plan 19618
Land Status	Held under Local Government Act

Background

Area J SO Plan 19618 was acquired by Ashburton District Council from the Crown/ Kiwirail in the 1990's. The land was gazetted as 'Land Acquired for Development of Public Amenity' and formally vested in ADC in 2000 through NZ Gazette 2000 p 1896.

Occupation/ Leases (as at April 2023)

No formal occupation.

Key issue(s)

None identified.

Specific policies

The following specific policies apply:

1. Retain Area J SO Plan 19618 under the Local Government Act as land acquired for development of 'public amenity' and continue to manage as open space.

Development opportunities

The following opportunities have been identified:

- Consider landscaping and tree planting along the northern side of the park to provide some additional shade and mitigate heat island effect of the site.

18. Baring Square East

Description

Baring Square East is located in the centre of Ashburton on East Street. The clock tower and surrounding buildings are seen by many as the distinctive features of Ashburton Town Centre. Several other features pay homage to Ashburton’s history, including a statue of John Grigg, an early settler of the area, Member of Parliament for Wakanui in the early 1880’s and one of the pioneers of the frozen meat export industry in NZ.

The open space features the concreted arbors, informally called the whalebones, amenity plantings, water features and seating.

The open space is also used for events.

In 2023 it underwent major redevelopment as part of the redevelopment of the civic centre.

Legally, the land remains held as road. The land has been included in this plan due to its significant open space function in the centre of Ashburton.

Address	Baring Square East, Ashburton
NZRA Reserve Category	Civic Space
Total Size (in ha)	0.3981
Legal Description	Legal road

Background

The land on which the town of Ashburton stands was obtained from the Canterbury Association which held the land under the Wakefield Scheme. The river and the town were named after the Hon. William Baring (Lord Ashburton), a prominent member of the first New Zealand Association founded by Edward Gibbon Wakefield in 1837. The town was laid out around two central squares either side of the railway line and main highway, Baring Square East and Baring Square West. Baring Square East (and West) were included on survey plan 311 from 1864 and set apart as part of the street network.

Images from the early 1900s show the square largely as green space, with the statue of John Grigg and the Boer War Memorial in the centre of the square (see image below).

Figure 1 Baring Square East, ca 1904

In 1978, the Borough Council decided to re-develop Baring Square East, incorporating the newly re-erected Ashburton Town Clock which the County Council had placed in 1976 to mark the centenary of the Ashburton County. The clock in the clocktower was initially located in the old Post Office building, but had been removed and put into storage following the 1931 Hawkes Bay and 1942 Wairarapa earthquakes.

In the 1970's, the Ashburton Lions Club restored the clock. The completion of the restoration coincided with a decision of the local County Council to mark the County Centennial in 1976 by erecting a suitable tower to house the clock. The tower was designed by Warren and Mahoney Architects.

The archway arbors were installed as part of the redevelopment of the square in 1977/78. They were to encircle the central open space and 'evoke the traditional feeling of walking beneath a cloister'.

Baring Square East was unveiled in October 1978 by the then Governor General, Sir Keith Holyoake.

Occupation/ Leases (as at April 2023)

No formal occupation.

Key issue(s)

The following key issues are identified:

- The land is held as legal road and contains portions of the surrounding street and car park.

Specific policies

The following specific policies apply:

1. Survey off area used as open space and undertake road stopping process in line with legal requirements (under Local Government Act 1974 or Public Works Act 1981).
2. Manage the land as open space and consider declaring the land to be reserve under the Reserves Act 1977 and classifying it appropriately.

Development opportunities

No additional development opportunities identified.

19. Baring Square West

Description

Baring Square West is located in the heart of Ashburton and forms one of the key civic spaces of the township. The district’s cenotaphs are located in the reserve. The Boer War Memorial was relocated here as a consequence of the Baring Square East redevelopment in 2023. The open space also provides open green space and features mature trees and pathways. Legally, the land remains held as road.

Occupation/ Leases (as at April 2023)

No formal occupation.

Key issue(s)

The following key issues are identified:

- The reserve is described by users as plain, though a good place for dogs to run.

Specific policies

The following specific policies apply:

1. Permit and encourage the harvesting nuts from the reserve from existing trees.

Development opportunities

The following opportunities have been identified:

- Creation of formed walkways.
- Installation of seating.
- A submission from first round of public engagement on the plan suggested the potential for additional plantings with natives.

28. Digby Park

Description

Digby Park is a large a neighbourhood reserve, surrounded on three sides by Havelock Street, Chalmers Avenue and Cameron Street. It features six full sized tennis courts, developed by Hampstead Tennis Club and are accessible to the public.

The Silver Band Hall, which can be hired for functions, public toilets/ changing rooms and a large open space, which is popular for off-leash dog walking, are also located here. Large trees are adjacent to Silver

Band Hall and along the north-western edge of the reserve, which borders residential properties.

New public conveniences were constructed in 2023/2024 and are located between the tennis courts and hall.

Address	284 Cameron Street, Ashburton
NZRA Reserve Category	Neighbourhood
Total Size (in ha)	1.2643

The reserve is made up of two land parcels, both subject to the Reserves Act 1977.

Legal Description	Land Status
Section 683 Blk XIII Ashburton SD	Recreation Reserve
Section 1271 SO 13459	Recreation Reserve

Background

The reserve is said to originally have been part of Digby's Brewery. The brewery was located close to where the Silver Band Hall is now. The bulk of the reserve was a field where the brewer ran his team of delivery horses.

The grounds later became the playing fields for Ashburton Technical School/College. The hollow left by the brewery cellar is said to have become the school's swimming pool.

Both land parcels were Crown land. Gazette notice 1975 p 1092 sets Section 683 Blk XIII Ashburton SD aside for recreation purposes pursuant to the provisions of the Land Act and declared it to be public domain subject to the provisions of Part III of the Reserves and Domains Act 1953. It forms part of Ashburton Domain and to be administered by the Domain Board. The powers of the Domain Board were given to the Borough of Ashburton through NZ Gazette 1889 p 2019.

Gazette Notice 1977 p 2864 takes the same action for Sec 1271 SO 13459. Gazette notice 1980 p 2267 classified both land parcels as Recreation Reserve.

Occupation/ Leases (as at April 2023)

The following occupation agreements apply to the reserve:

Occupier	Instrument	Final Expiry
Hampstead Tennis Club	Lease	Expired

Key issue(s)

The following key issues are identified:

- The lease for the occupation of part of the reserve by Hampstead Tennis Club has expired.
- There is no formalised agreement for the use of Silver Band Hall.

Specific policies

The following specific policies apply:

1. Contemplate leases and licenses within existing footprints for the continued provision of tennis in line with the general policies in Volume 1.
2. Formalise use of Silver Band Hall through appropriate agreements.

Development opportunities

None identified.

29. Digby Place Park Linkages

Description

Digby Place Park Linkages is a neighbourhood linkage, made up of five separate land parcels. One land parcel is located north of Pages Road, the remaining four south of Pages Road provide a green link to Digby Place and industrial properties along State Highway 1. Lot 1 DP 80835	Recreation Reserve

Background

All land parcels that make up the reserve were likely created as part of the subdivision of surrounding land and vested in Ashburton District Council.

Occupation/ Leases (as at April 2023)

No formal occupation.

Key issue(s)

None identified.

Specific policies

The following specific policies apply:

1. Undertake riparian planting along Wakanui Stream, to improve water quality and biodiversity and increase shading, but note it also has a stockwater function, so there are operational access parameters needing to be retained under the Water Races Bylaw.

Development opportunities

The following opportunities have been identified:

- Consider development of a formed walkway between Pages Road and Digby Place, also extending along Wakanui Stream channel to State Highway 1.

30. East Street Green - CBD

Description

East Street Green – CBD stretches along East Street from the intersection with Walnut Avenue to just south of Kermode Street in the centre of Ashburton. The reserve provides civic open space and visual amenity, with many mature trees, seating areas, a water feature, public plaza, toilets, information centre and a footpath along its entire length. The pedestrian overbridge across the railway line is located just outside of the park.

Address	East Street, Ashburton

NZRA Reserve Category	Neighbourhood
Total Size (in ha)	4.0000
Legal Description	Lot 1 DP 47253
Land Status	Recreation Reserve

Background

This reserve is made up of one land parcel which is held as Recreation Reserve under the Reserves Act 1977.

The land was acquired by Ashburton County Council in 1985.

Occupation/ Leases (as at January 2024)

The following occupation agreements apply to the reserve:

Occupier	Instrument	Final Expiry
Grazing Licence	Licence to Occupy	31/10/2026

Key issue(s)

The following key issues are identified:

- Part of the reserve is used as a recycling plant and water treatment. The current purpose does not reflect this activity.

Specific policies

The following specific policies apply:

- Consider reclassifying part of the reserve that houses the community recycling centre and water treatment plan as Local Purpose (Utility) Reserve.
- Contemplate leases and licences within existing footprints on recreation reserve land for:
 - Farming, Grazing or Afforestation.

3. Investigate opportunities to create a neighbourhood/ community park at Fairfield Road Reserve if a need is established, and work with the community on more detailed planning and design of this space.

Development opportunities

The following opportunities have been identified:

- Identify as local reserve through signage.
- Potential to improve open space provision in Fairton by developing part of the site for play, sport or community use.

32. Friedlander Park

Description

Friedlander Park is a 5925 m² neighbourhood reserve in Hampstead. It is surrounded on three sides by Cambridge Street, Nelson Street and Oxford Street. The reserve features two separate play areas and mature trees.

The reserve is made up of one land parcel, which is subject to the Reserves Act 1977.

Address	Nelson Street, Hampstead
NZRA Reserve Category	Neighbourhood

Total Size (in ha)	0.5925

Background

The reserve was originally the site of a school, which changed names multiple times (Ashburton Borough Side School, Hampstead School and Ashburton East School).

Figure 3 Hampstead School, ca 1930

For additional information about the school site, including the building layout and photos, see Hampstead School Centennial.

A tree stump at south-eastern corner is the remains of the oak planted to mark the end of World War 1.

The reserve is Crown-derived land. Gazette notice 1964 p 2021 set aside the land for recreation purposes pursuant to the provisions of the Land Act and declared it to be public domain subject to the provisions of Part

III of the Reserves and Domains Act 1953 and form part of Ashburton Domain and to be administered by the Ashburton Domain Board. The powers of the Domain Board were given to the Borough of Ashburton through NZ Gazette 1889 p 2019.

Gazette notice 1980 p 2267 classified the land parcel as Recreation Reserve.

Occupation/ Leases (as at April 2023)

No formal occupation.

Key issue(s)

The following key issues are identified:

- Trees in the reserve are aging and consideration needs to be given to safety, as well as replacement plantings.
- No seating is provided for caregivers taking their children to the playground in the reserve.
- No all-weather access to playground i.e. no pathway.

Specific policies

None identified.

Development opportunities

The following opportunities have been identified:

- At end of asset life of play equipment, redevelop the playground, consolidate equipment, improve play value, provide play for a wider age and ability range of children.
- Potential site for youth provision e.g. basketball half court.
- Provide seating.
- New path through reserve connecting playgrounds.

33. Geoff Geering Drive Linkage

Description

EA Networks Centre itself includes a pool, indoor and outdoor courts, stadium, gym and which. The Centre also provides communal office space (Sports House) for local sports organisations to share resources. There is also an outdoor gym area.

The open space includes the area referred to as Smallbone Drive Reserve, Part RS 40632, where the newly established disc golf course is located. This area is also an off-leash dog exercise area.

The table below outlines the land status of the five land parcels that make up of this reserve, all of which are subject to the Reserves Act 1977.

Legal Description	Land Status
Part RS 40632	Recreation Reserve
Sec 3 SO 20137 (Part RS 40630)	Recreation Reserve
Part RS 40969 SO 10040 (includes Area F SO 18959)	Recreation Reserve
RS 40629 (SO 14794)	Local Purpose (Soil Conservation and River Control) Reserve
Sec 1 SO 439418	Recreation Reserve

Background

Part RS 40632, Section 3 SO 20Feast s137 (Part RS 40630), Part RS 40969 SO 10040 and RS 40629 (SO 14794) were part of the north branch of the Ashburton River, defined as Reserve 1923, on SO 4411. The land was subsequently defined as Reserve 4605 on SO 8306 and set apart for river conservation purposes by Gazette 1953 page 832. Control of Res 4605 was then vested in the South Canterbury Catchment Board by Gazette

1953 page 901. The powers and authorities of the South Canterbury Catchment Board were passed to Canterbury Regional Council by authority of the Local Government (Canterbury Region) Reorganisation Order 1989 (section 16), published in Gazette 1989 pages 2296 to 2303.

SO 14794 subsequently defined parts of Reserve 4605 as RS 40629 (5670 m²), RS 40630 (9.2ha), and RS 40969 and RS 40632 (3.1200 ha).

RS 40629 was classified as Local Purpose (soil conservation and river control) reserve by Gazette 1998 page 69. It remains held for this purpose. Administration for the reserve still formally remains with Canterbury Regional Council.

NZ Gazette 1984 p 2768 (1) revoked the appointment of the South Canterbury Catchment Board over RS 40632 and RS 40630. NZ Gazette 1984 p 2768 (2) classified both land parcels as Recreation Reserve. NZ Gazette 1984 p 2769 vests both land parcels in Ashburton Borough Council.

Part of RS 40632 was set apart for road purposes, reducing the size of the land parcel to 3.0278 ha (NZ Gazette 2010 p 377 – balance parcel). This area remains vested in Ashburton District Council for recreation purpose.

Subdivision of RS 40630 created Sec 3 SO 20137 (now 7.9180 ha). This land remains vested in Ashburton District Council for recreation purpose.

RS 40969 was defined on SO 10040. The land was re-defined through SO 18959 in 2013. Areas C and E of SO 18959 (1383 m²) were taken for road (NZ Gazette 2013 p 1099). The remainder of RS 40969 was amalgamated with Area F SO 18959 through the same gazette notice and declared public reserve. The land, now Part RS 40969 (5670 m²), is vested in

Ashburton District Council and is unclassified reserve, subject to the Reserves Act 1977.

Sec 1 SO 439418 was vested in Ashburton District Council via NZ Gazette 2011 p 1636 for Local Purpose (Recreation) Reserve. The land was classified in 2024.

Occupation/ Leases (as at April 2023)

No formal occupation.

Key issue(s)

The following key issues are identified:

- Additional land to north of existing centre was set aside for sports. A Recreation Facilities Study from 2023 identifies this as a potential site for additional courts.
- Extension of pool hours (out of scope of this plan).
- Entrance at EA networks Sports Centre is too narrow, leading to safety issues for busses, cyclists and pedestrians during sporting events.
- RS 40629 SO 14794 appears to be still vested in Canterbury Regional Council due to it having formerly been part of the stream bed.

Specific policies

The following specific policies apply:

1. Develop the reserve in line with an approved development plan (at the time of writing this plan, a development plan was being consulted on).
2. Consider development of an off-road trail on the land in line with the project proposed in the Ashburton District Council Walking and Cycling Strategy 2020-2030.
3. Explore the development of the open space around the EA Networks Centre to enhance opportunities for spontaneous play, as a pathway to recreation and sports at the centre, e.g., playground, pop-up play, scooter track, walkway.
4. Work with the Department of Conservation to update the vesting of RS 40629 SO 14794 in Ashburton District Council and consider reclassifying as Recreation Reserve, to better reflect its current primary purpose.

Development opportunities

To be determined in development plan.
