Minutes

That the minutes of the Methven Reserve Board meeting held 17 November 2021, be taken as read and confirmed.

Whitehead/King

Carried

General Business:

- Soil under the trees has been added, more to come from the Hot Pools.
- Colin to do a Snowfed update to thank all that have helped in the Domain over the last few months.
- The Board agreed that the cleanup of the water race on the A&P side of the reserve was done well.
- Rugby club to put the new covers on the stands.
- The main carpark needs line marking, the rugby club have a line parker, just need paint. Clare to see if the council have any.
- There will be a Defibrillator going up on the united club rooms. Charlies & Ron to put up, Clare to add to the asset list
- Thanks to Lauriston School and the lions club for the Defibrillator
- Colin to send a letter from the Board about Clubs disposing of all grass clippings off site.

Volunteer Hours & Costs

- Colin & Hamish both did 4 hours adding soil under the trees
- Colin 1 hour picking up sticks
- Ron tractor & Loader
- Thank you to Richard Morris from Morris Contracting for the generous use of his roller to finish the soil work.

Meeting closed at 7.52pm
