Draft Trading in Public Places Bylaw	
Do you agree that this bylaw should be renamed to "Trading in Public Places Bylaw"?:	Yes
Additional Comments:	Don't mind the changes. Doesn't really matter what it is called.
Do you agree with any of the proposed changes to permitted or discretionary sites? If so, which sites do you agree or disagree with?:	Yes
Additional Comments:	My answer is yes if I as food truck owner have no choice but have to move. My only concern is whether those new proposed sites are under similar or same conditions as current town clock site (ie, power availability, rent on site and etc).
Do you have any other comments?:	I have only just started my own food truck business and have been privileged to meet so many supportive locals who were openly accepted new tastebuds. Ideally I would like to operate on the same site as I am new in the area but if I have to move, I would like to propose Baring Square West with power supply and similar rent as outside town clock.
