Can you please designate a drop-off parking space close to Kelly's Bar. Either on East St or around the corner on Tancred. I drop my husband off every Friday at 4pm and there is often not a close space to park. The obvious place is the Disabled Parking space on Tancred. On two separate occasions, one whilst dropping-off and once whilst picking-up, the Parking Lady has told us not to use this space. And double-parking is not permitted and causes obvious problems. It makes sense that all drinking establishments should have a designated drop-off / pick-up car space, even for the taxi, which I have seen double-parked on two occasions. Thank-you.
