Doing business here - Our businesses are thriving, innovative and resilient to change	Agree
---	-------

Visiting and playing here - Our district is a destination of choice for locals and visitors, with great leisure, entertainment and recreational activities	Disagree
--	----------

Please explain why

I feel we need to promote and engage families in more family friendly activities around Ashburton. Keeping families in Ashburton would be a huge positive. It seems people still feel like they have to go to Timaru or ChCh for entertainment. Creating safe areas for our tamariki such as a decent skate park in an area such as George Glassey Park or an ice-skating rink; Trampoline world or a Chipmunks for whanau to take their children. Hydroslides added to EA networks. When I think about visiting an area with my children, I always check what activities are available for my own children to experience and enjoy. Ashburton is a servicing town and needs facilities that families will think are awesome to experience.... Methven /Mt HUTT yes.... But what's in Ashburton...? To KEEp families from not having to go up to chch...?
