Draft Waste Management & Minimisation Plan	
We are proposing to introduce household kerbside food waste collection. Other districts have done so at a cost of about \$50 per household per year. Would you support a kerbside food waste collection service being implemented?:	Yes
Why?:	TOO MUCH GOES TO LANDFILL , We have always had a compost bin & have very little waste, garden waste goes to recycling also. People are getting very lazy so you will have to really push it.
