OverDrive – Audio Books & eBooks

About OverDrive

OverDrive is a free digital platform which allows you to download eBooks and audio books. Members of the Ashburton Public Library can access OverDrive through the South Island Downloadable Zone - a consortium of a number of South Island libraries.

Currently there is a selection of adult fiction eBooks and audio titles. This collection will soon expand to include non-fiction, young adults and children's material. New titles are regularly added.

Key features:

- Download titles from home at any time.
- Transfer eBook titles to your computer or portable devices such as eBook readers and smartphones.
- Transfer audio titles to your computer or portable devices such as MP3 players or iPod.
- Burn some audio book titles to disc.
- Avoid late fees - the items self expire or you can check in eBooks early if you have finished with them.
- OverDrive eBooks are compatible with most eBook readers and mobile devices except Kindle.

What you will need:

- An internet or wifi connected computer or mobile device. (Please note: you cannot use computers in the library to download OverDrive titles)
- Your library card and PIN
- Free software for PC or Mac: Adobe Digital Editions for eBooks and OverDrive Media Console for audio books - available from the OverDrive downloadable media homepage.
- Free software for iPhone, iPod Touch, iPad or Android - available from the Apple App Store or Android Market.

More Information:

- Guided Tour - in just a few minutes you can learn how to browse, checkout and download titles.
- Quick Start Guide - checklist of what you will need, with links to information and free software you will need to download.
- Information about devices - which are compatible with OverDrive titles.
