Draft Waste Management & Minimisation Plan	
We are proposing to introduce household kerbside food waste collection. Other districts have done so at a cost of about \$50 per household per year. Would you support a kerbside food waste collection service being implemented?:	No
Why?:	I wouldn't use it
Do you agree with the key issues in the draft Plan? If so, which issues do you agree or disagree with?:	No
Why?:	
Do you agree with the proposed actions in the draft Plan? If so, which actions do you agree or disagree with?:	No
Why?:	
Do you have any other comments?:	In a time where people are already struggling and council continually putting up costs and then saying they have no funding to cope with what they start, then no more should be dumped on the rate payers. Complete some of the part started projects.
