

Oil on Road Application Form

The application must include **all** the required information in order to avoid a delay in the processing of your application.

Submission of this application does not grant permission for the work to commence. When Council has approved your application, a permit will be granted for the work to commence.

Section 1: Full Name and Address of Applicant			
Surname:		Given name(s):	
Company name:			
Postal address:			
Home phone:		Mobile:	
Email address:			

Section 2: Location, Contractor and CAR Details	
Site address:	
Legal description of property ¹ :	
Property number ¹ :	
Distance of road to be oiled (m):	
ADC approved contractor (if known) ² :	
CAR number ³ :	

1. Legal description and property number can be found on the rates demand for the property.
2. If this field is filled out, Council assumes the applicant has corresponded and confirmed engagement with their selected ADC approved contractor regarding this application.
3. The ADC approved contractor will apply for a Corridor Access Request (CAR) from the Council – this is approval to work in the road corridor.

Section 3: Sketch Plan

Please sketch a plan of the site and location the oil is to be applied, including intersections and rapid number(s).

Section 4: Conditions and Limitations

1. Work to be undertaken complies with the Canterbury Land and Water Regional Plan Rule 5.18 (copy attached) or if the work does not comply with this Rule, a resource consent has been granted by Environment Canterbury for the work.
2. No work is to be carried out until written notification has been received from the Ashburton District Council to proceed with oil application and oil is only permitted to be applied by an ADC Approved Contractor.
3. That I will contact the Ashburton District Council office and advise of the proposed day when the road will be oiled.
4. That the Approved Contractor may reapply oil, under the condition stated in this application, until _____ (maximum 12 months or at the pleasure of the Council). If you choose to change contractor within the 12 month period, please notify Council.
5. That oil shall be applied only after the grader has formed up and shaped the road to a satisfactory crossfall to shed water.
6. That the oil is sprayed or applied in a manner that does not result in pooling or runoff, with a maximum application rate not exceeding 2 litres/m² per day and 4 litres/m² per annum.
7. That care will be taken during application of the oil to avoid contamination of water races and stormwater drains present on the road reserve.
8. An inspection will be carried out post-application by Roading Department staff to confirm that Council requirements have been met during the application of oil.

9. No work may be undertaken by the Approved Contractor in the road corridor without first obtaining the necessary Corridor Access Request (CAR) approval from Council.
10. Council reserves the right to amend this application and/or approval in consultation with the applicant.

Section 5: Signature and Date

I have read and understand the conditions and limitations of this application:

(signature of applicant)	(full name of person signing)	(date)

Dust Suppressants

5.18 The discharge of a dust suppressant onto or into land in circumstances where a contaminant may enter water is a permitted activity, provided either of the following conditions is met

1. The discharge is only of vegetable oil, or of new light fuel or lubricating oil and is:
 - a) applied in a manner that does not result in pooling or runoff, with a maximum application rate not exceeding 2 litres/m² per day and 4 litres/m² per annum; and
 - b) not within 20m of a surface water body, the Coastal Marine Area, a bore or soak hole; or
2. The dust suppressant is approved under the Hazardous Substances and New Organisms Act 1996 and the use and discharge of the dust suppressant is in accordance with all conditions of the approval.

5.19 The discharge of oil as a dust suppressant onto or into land in circumstances where a contaminant may enter water that does not meet one or more of the conditions in Rule 5.18 is a restricted discretionary activity

The exercise of discretion is restricted to the following matters:

1. The actual and potential environmental effects of not meeting the condition or conditions of Rule 5.18.
