Q4

Do you agree with the principle to lower speed limits outside schools within the district?

No,

Comments:

50 km/hr is quite slow. Some temporary reduction maybe required on the actual road of some schools in the morning and afternoon when children are entering and leaving. Automated signs can alert drivers of these times.

Draft Interim Speed Management Plan 2022

Q5

Do you agree with the principle to introduce speed management for urban fringe zones in the district to respond to future growth?

No,

Other (please specify):

There is no need to reduce speed until this future growth has reached a critical level.

Q6

Do you agree with the principle to enable speed management for developed urban areas with a high number of active users?

No,

Other (please specify):

The current speed levels are fine except for special events. The level of "active use" may be sporadic but a reduction in speed will be 24/7.

Q7

Do you have any other comments or feedback about this draft plan?
