Do you agree with the proposed change to extend the footpath trading hours from 12am(midnight) till 1am?

---

**Q2**

Please explain why:

Hi there, we have had our say with this and I voted against it. I feel at this time it is a total waste of money - we actually don't have an issue at present but spending money on something that is not actually required right now. The money could be spent elsewhere. This is just like the governments wily nily spending on things that are not necessary. I guess rates will go up to pay for this?
