Do you support the draft dog Control Bylaw as presented? No

Let us know why:

There are already limited places to take dogs on family friendly adventures. Camping at lake heron is one of the last places left that we can actually enjoy spending time with our whole family. Yes dogs are family. Not all people or dogs enjoy going to dog parks, and no dog parks have water for dogs to swim. The ashburton River constantly had algae blooms making it unsafe to swim in and lake hood is revolting, not to mention that a lot of fig breeds are banned from the area.
