Do you support the disposal of Grove Street Park? :

Yes, I support the disposal of Grove Street Park

Let us know why:

My children aged 12 and 14 and have grown up in Tinwald. We have been to the Grove Street playground only twice it has no appeal to children or adults. It's a very dark and cold playground with extremely minimal outdated equipment. We have enjoyed the new updated playground situated in George Glassey Park. We all agree an exciting new playground closer to home would be of great benefit to the Tinwald families. The Tunnel also seems quite unsafe I wouldn't let any child enter it for fear of collapse.

Do you have any further comments?:

A new bigger, brighter, safer playground closer to Tinwald School and Aubrey Mason Kindergarten would be a great asset for the community.
