Is there anything else we need to think about for parking in the district?

Parking for trailers in the West st car park. There is an ideal spot where there are double parks in the centre of the car park, opposite Formosa restaurant. Would only need a bit of paint to denote a few spaces for trailers. This is a rural town.
Also is there a need to remove trees to make a new car park on East st ? after all, the whole CBD has been ripped up & made suitable for cycle & walking , or are people unable to get to the new library & chambers by these means?

If you own, or are considering purchasing an electric vehicle in the future, do you think more charging stations should be provided in more public locations than currently?

If you own, or are considering purchasing an E-bike in the future, do you think parking facilities should be provided in public locations?

Yes - Town has just been remodelled to suit walking & cycle ways, why not have space to park the bike? any bike for that matter

Do you support the addition of drivers over 80 years to the Mobility Parking Policy?

Yes

Trailers, campervan parks

Do you know of any specific parking issues in the other towns across our district? Your feedback will help us for future parking management plans.

Do you support the development of a new public car park in the West Street rail reserve north of Havelock Street?

may have previously thought it was to be located on east side

Do you think specific parking spaces reserved for vehicles where people have car pooled together is a good idea to encourage this form of travel?

Yes

Do you have suggestions on where parking time restrictions need reviewing?

If you own, or are considering purchasing an electric vehicle, do you think more charging should be provided in public locations than just the current West Street car park?

If you own, or are considering purchasing an E-bike, do you think charging facilities should be provided in public locations in the Ashburton town centre?
