Draft Trading in Public Places Bylaw	
Do you agree that this bylaw should be renamed to "Trading in Public Places Bylaw"?:	Yes
Additional Comments:	
Do you agree with any of the proposed changes to permitted or discretionary sites? If so, which sites do you agree or disagree with?:	Yes
Additional Comments:	We agree with most of the sites, however there needs to be more in the cbd this change only allows for one site for a food truck in the cbd. We would like to discuss options and come up with other viable and attractive sites with lighting and safe places for everyone to park.
Do you have any other comments?:	One site Tu meke bbq would like to propose for us is Baring square west, once the cafe is open, we would like to be treated as we are in the current bylaw and approved site for the same fee and same conditions eg power and price per day. We are a small family run business with 3 children, This is our sole source of income we need this to work and are happy to work with the council to come to an arrangement.
